

## 2024 Knife and Hawk Schedule

Competition for prizes is restricted to those in period dress. However, if a flat lander would like to give it a try, come by the site any time. We will loan you a hawk and help you learn how to do the sport. Come by any time and ask at the Range Master tent.

**Thursday** 3:00 pm - Blanket throw. All welcome and hope that traders will come play. Bring a prize worthy of an ice breaker competition.

**Friday** 3:00 - Blanket throw open to all. Bring a prize worth about \$5-\$15. This is a warm up competition for the players and the Range Masters.

**Saturday** 8:00 to 3:30 - Competition all day in many divisions including Elite, Men, Women, Youth, and Amateur. One buy back will be allowed, however, the buyback must be signed up before 2:00.

**Sunday** - Fun day. We will have competitions of partners, relays, and perhaps a surprise competition. It will begin at 8:00 and end in the afternoon. Check with the Range Master Tent for the day's events.
