

## THE “MOUNTAN MAMA” MOUNTAIN WOMAN RUN.

Ladies 13 and up! This is a new event for the 50<sup>th</sup> anniversary. This is a “Mountain Man Run” (walk) style competition course that will test your skills at the cabin, at camp and in the field. The competition will be Saturday at 3 pm and will begin at the gun range. All participants must be in period correct clothing, including footwear. This is not a shooting contest but you will have to load and fire one round from your favorite muzzleloader. That muzzleloader can be flintlock or percussion, rifle, pistol or smoothbore. If you do not have a muzzleloader, one will be available at the rifle range for you to borrow. You may not need them all but bring a fire starting kit, a using knife (not a throwing knife) and a tomahawk.

The entry fee is included with the purchase of **YOUR** shooter’s medallion or an entry fee of \$10 is payable at the Registration building on Friday or at the Range. Come and strut your stuff or watch the competition as they vie for the title of “MOUNTAIN MAMA”.
