SENIOR SPOTLIGHT:

Cameron Willis (he/him)

How have you been involved here at BGSU?

Math Camp (not theatre but hey); Treehouse Troupe!
Wardrobe Crew on *The Amateurs*; ASM on *The Harvest*
and *Electra*; SM on *The Wrestling Season*; APO Business
Manager; STAD Treasurer/Business Manager

Graduating in May 2024 with a BA in
Theatre and a BS AYA in Math

What has been your most impactful theatrical experience here at BGSU?

Treehouse Troupe! I would not be half the teacher, director, or performer I am today without working on Treehouse Troupe with our amazing cast and director. The experience of planning, rehearsing, touring, and workshop administering still has me speechless. I cannot imagine going through my university experience without that semester.

What are your theatrical goals and how do you hope to achieve them after graduation?

Since I will be a teacher after graduation, I hope to get working in some after school programs at my school to work on plays and musicals with students. Eventually, I want to teach at a school without a theatre program and start one from the ground up.

What advice would you give to Future Falcons and underclassmen?

Take some time to just breathe and appreciate. Every show I worked on, I would take a moment to just stand there and breathe in all of the things happening. I would take a mental picture of both what I could see and what I could feel. Those feelings I can still feel as strong as the day I took that moment. That is how I can reflect and be proud of what I accomplished, and I hope you all too find a way to remember your experiences with pride.
