Summer Spectacular Benefiting Fannin County Family Connection
Appalachian Bluegrass, Backyard Cookout, Power=full Purpose

MORGANTON - It's time for a Summer Spectacular at Serenberry Vineyards! Join us for an afternoon of Appalachian bluegrass and grilled burgers and brats – all for a power=full purpose!

All proceeds from the Backyard Cookout will help Fannin County Family Connection purchase a whole-building generator.

“During the holidays, the Fannin County Family Connection Food Pantry houses around \$25,000 of the community's donations for food in the freezers and refrigerators,” said Sherry Morris, Executive Director of Fannin County Family Connection. “Once a generator is in place, there will be no issue with power loss and spoiling of food,” she said.

“Additionally, this would make Fannin County Family Connection one of the only county facilities, besides the hospital and EMA, to have complete service. If there is a major event affecting many residents, we could open our doors for the community, allowing our building to be used as a shelter, gathering place, and place of help,” Morris concluded.

A whole-building generator will cost approximately \$80,000. So far, Fannin County Family Connection has raised \$55,000 through grants and one-on-one reach outs to supporters.
