Understanding, Perspective & Resilience

*Opening minds.
Lending a hand.
Changing lives.*

When we have a better understanding of our neighbors in the crisis of poverty and understand how it impacts lives, we can learn to connect in ways that can break the cycle of poverty and create resiliency in our community.

Poverty 101 “**kNOw Poverty**” is a fast-paced session which will give an overview of the types of poverty, hidden societal rules, communication styles and the challenges of living in the crisis of poverty.
