**September 19**  
**Thursday**  
**9:30 – 2:30**

**16<sup>th</sup> Annual Chisago County Children's Water Festival**  
**Wild Mountain Recreation Area**  
**Taylors Falls, MN**

Students from schools in Chisago County area gather at Wild Mountain Recreational Area...The mission of the Water Festival is to provide youth and classroom teachers with an innovative, quality, hands-on learning opportunity highlighting the interdependence of water to all living things. The major water issues that are addressed include ground water, watersheds, drinking water, exotic species, lakes and rivers and much more. Tips Outdoors will be providing fishing education to help show the students how to enjoy catching fish and how to take care of the resource that lives in waters of Minnesota.

**September 25**  
**Wednesday**  
**9:00 – 2:30**

**Metro Area Children's Water Festival**  
**Minnesota State Fair Grounds**

The Metro Conservation Districts have held this annual event in September at the Minnesota State Fairgrounds in St. Paul, Minnesota, USA. It is designed to provide students with hands-on opportunities to learn about water and its importance to people and our natural environment. At past festivals, students learned about things such as how scientists measure the quality of water, where the water goes when the toilet gets flushed, how tiny bugs can serve as indicators of water quality, the importance of wetlands, and basic water science. In past years, about 1,200 – 1,300 fourth grade students have attended the festival from the seven Metropolitan counties to celebrate our most precious resource: water.

**Tips Outdoors** youth will learn about the positive benefits that spending time together fishing and being outdoors with their family and friends will have in their lives and the lives of their family and friends...and how important conservation of our lakes, rivers and natural water resources are for their lives and for future generations.
