6600

CARRIAGE HOUSE STEEL

Springfield panel, Custom painted after installation, Framed Insert Stockbridge windows

unique. durable. stylish.

Made with two layers of steel, polyurethane foam insulation and DecaTrim™ II Overlays.

The Model 6600 is not only durable, but a unique way to add style and curb appeal to your home.

Brunswick panel, White finish, Routed Stockton windows, Decorative hardware

PERFORMANCE FEATURES

Insulation

Model 6600 comes with foamed-in-place polyurethane insulation with an R-value of 12.12*, which can improve the thermal efficiency of your garage space, reduce street noise and make the door operate more quietly.

Durable DecaTrim™ II Overlays

These overlay boards are specially treated to resist termites, weather and fungal decay.

Joint Seals

Snug fitting tongue-and-groove section joints reduces wind and weather from entering the garage.

High Cycle Spring Option

Choose a 25,000 cycle spring for almost twice the life of a standard torsion spring.

Heavy Duty Hinges

Attractive 14-gauge heavy duty hinges provide maximum strength between sections, stability and smoother door operation.

Quiet Rollers

Ball-bearing rollers with nylon wheels and solid steel shafts provide years of smooth, quiet and dependable service.

Windsafe™

Available with optional hardware and reinforcement for high-wind regions. Please consult your dealer for details.

Warranty

Model 6600 offers a Limited Lifetime Warranty on the steel skin and a two year warranty against delamination on factory attached overlay material. See full text of warranty for details.

*Wayne Dalton uses a calculated door section R-value for our insulated doors.

1 Choose Your Style

All door top sections are available in arched or square designs.

Double car door designs are equivalent to 2 single-car doors side by side.

Window Comparison

Doors built with the **Routed windows** use a clean top section design where the wood overlay is routed from a wood face panel.

Arlington panel with Routed Stockbridge windows

Doors with **Framed Insert windows** use a classic wood door design with the top section constructed from wood overlay boards.
