

To Everyone

I wish to offer my heartfelt thanks to everyone who worked to make our Sponsorship workshop a success. Special thanks go out to Tommy who put me in touch with Will and Jessica, To Darcey for making sure we had all the little things I would not have thought of, to Cassandra and Cheap Smokes for supplying ice for us, to Mr. Doug and Ms. Margie for being there in my hour of need, and to Rachel for making sure we had registration material and literature. To all those who helped setup on Friday evening and clean-up on Saturday evening, you do not realize the load you took off my shoulders. I would be remiss if I did not offer the proper thanks to my Higher Power for keeping me on track and for giving me the strength and courage to undertake such an endeavor, especially when the inevitable roadblocks popped up.

Thanks must also be extended to all of the presenters who gave of their time and experience that we may all better serve those in need. To Mr. Doug, Ms. Margie, Will, Denise, and Greg, who have my everlasting thanks and gratitude.

If I did not name you by name, it does not mean that I do not appreciate the help, it just means that so many stepped up to serve that I cannot possibly remember them all at one sitting. Thank You, Thank You, Thank You.

Now is not the time to sit back and congratulate ourselves on everything we have accomplished in the past seven months. We must constantly move forward to make sure Alcoholics Anonymous not only survives in our District, but that it thrives. Bring your ideas, open your mouth and share them. Remember the Responsibility Declaration. That is our duty as trusted servants.

Again Thank you from the bottom of my heart.
