

APPLICATION TO PARTICIPATE

Annual Young Inventors' Showcase of Houston

Saturday, May 18th, 2019

University of Houston

Entry in the Showcase is free of charge and open to all children in Kindergarten through the 8th grade. Families, schools, scout troops, home schools, and other individuals and groups are welcome and encouraged to apply to participate.

Entrants must submit their application for preliminary judging postmarked by April 30th, 2019: even if you were accepted from a local school's showcase final. All applications will be reviewed, and those receiving the highest ratings will be invited to participate in the Young Inventors' Showcase Finals at the University of Houston on **Saturday, May 31st, 2019.**

On those not chosen to proceed to the finals will be notified by May 15th. All participants in the Young Inventors' Showcase Finals are expected to be at the University of Houston on May 18th, 2019, with their prototype (subject to rules and regulations regarding approved materials) and display boards from 8:30 a.m. until 12:30 p.m.

For more information or additional applications, please contact Max Martin by phone at (832)741-4244 or by email at maxm@smartkidssoftware.com.

- You may email your completed application to maxm@smartkidssoftware.com
- You may mail your application to **Max Martin**
C/O Smart Kids Software
P.O. Box 590464
Houston, Texas 77259-0464

Waiver and Release of Confidential Information

Please print the information of the Inventors' Showcase participant:

Name: _____

Age: _____ Grade level in school: _____

It is understood that the Young Inventors' Showcase contestant (the Contestant) as named above will display and exhibit their invention at the University of Houston on May 18th, 2019, and that certain technical, creative, and intellectual property may be viewed by the general public and judged by persons appointed by the University or the Young Inventors Association of America ("YIAA". It is expressly understood by the Contestant that such viewing by the general public and contest judges could result in information relating to the Contestant's proprietary ideas, patentable ideas, copyrights, and/or trade secrets, existing and/or contemplated products and services, software, schematics, research and development, and production being copied or misused.

The University and YIAA are not responsible for any such misuse, duplication, or copyright infringement that may occur and Contestant will hold the University and YIAA harmless from and against any and all liabilities, losses, damages, costs and expenses (including legal fees and costs) associated with any claim or action brought against the University or YIAA by Contestant or any third party in connection to Contestant's invention exhibition.
