

REP. MILLIKEN’S AMENDMENT TO LD 531 (CONCEPT DRAFT BILL)

Replace bill title with following:

“An Act to Establish the Toddy Pond Watershed Management District and the Alamoosook Lake Watershed Management District”

Replace bill with following:

Emergency preamble. Whereas, acts and resolves of the Legislature do not become effective until 90 days after adjournment unless enacted as emergencies; and

Whereas, the current owner of dams and related infrastructure on Toddy Pond and Alamoosook Lake has petitioned the Department of Environmental Protection for release from ownership of those dams; and

Whereas, pursuant to law, a dam owner petitioning for release from ownership is required to undergo a statutory process to determine whether any other person wishes to assume ownership of the dam; and

Whereas, the watershed management districts established in this legislation are designed to assume ownership of those dams and to subsequently manage the dam infrastructure and coordinate water level management in those lakes; and

Whereas, those districts must be established prior to the expiration of the statutory period in which the current owner of the dams evaluates alternative ownership options; and

Whereas, in the judgment of the Legislature, these facts create an emergency within the meaning of the Constitution of Maine and require the following legislation as immediately necessary for the preservation of the public peace, health and safety; now, therefore,

Be it enacted by the People of the State of Maine as follows:

PART A

ALAMOOSOOK LAKE WATERSHED MANAGEMENT DISTRICT

Sec. A-1. District established; general provisions. The Alamoosook Lake Watershed Management District, referred to in this Part as “the district,” is established as a quasi-municipal Maine corporation, incorporated for the purposes described herein.

1. Tax exemption. The property, both real and personal, rights and franchises of the district and held within the boundaries of the Town of Orland is forever exempt from taxation.

2. Liability. The district shall be considered a governmental entity for the purposes of Title 14, chapter 741.

REP. MILLIKEN'S AMENDMENT TO LD 531 (CONCEPT DRAFT BILL)

3. Funding eligibility. It is intended that the district qualify for any grants, loans or other funding in the same manner as a municipality.

4. Watershed district. It is intended that the district is eligible for the state agency assistance for watershed districts as provided in Title 38, section 2012.

5. Fiscal year. The fiscal year of the district shall be from July 1 to June 30 of each year.

Sec. A-2. Governance. The affairs of the district shall be managed by a board of trustees made up of a combination of trustees appointed by the municipal officers of the Town of Orland and trustees elected by the owners of the waterfront properties abutting Alamoosook Lake, referred to in this Part as "the waterfront property owners".

1. Membership. Except as otherwise provided in this section, the board shall consist of 5 trustees as follows:

- A. Three trustees appointed by the municipal officers of the Town of Orland; and
- B. Two trustees elected by the waterfront property owners as provided in this section.

2. Nominations for election. Candidates for election by the waterfront property owners must be nominated by a lake or pond association representing at least 20% of those waterfront properties. If no such association is in existence, the nomination process shall be as adopted by the board.

3. Conduct of elections. Upon the establishment of the district, the trustees appointed by the Town of Orland will be responsible for conducting the initial election of the trustees for the waterfront property owners. The full board will be responsible for conducting elections subsequent to the initial election. The election ballot shall list the names of each trustee candidate and whether they are seeking a full term or to complete the remaining term for a vacant board seat and shall include any write-in candidates. Regardless of the number of actual or beneficial owners of a waterfront property, a duly authorized representative of each waterfront property owner may cast one vote for each open board seat listed on the election ballot. The candidate or, in the event that more than one board seat is listed on the election ballot, candidates who receive the most votes cast shall be declared the winners.

4. Staggered terms. The initial terms of the trustees appointed by the Town of Orland and the trustees for the waterfront property owners shall be staggered, as determined by lot, with as close as possible to an equal number of trustees serving initial terms of one year, two years and three years. Subsequently appointed or elected trustees shall serve three-year terms.

5. Vacancies. In the event a board seat occupied by a town-appointed trustee becomes vacant, the municipal officers of the Town of Orland may appoint a replacement trustee to complete the term for that seat. In the event a board seat occupied by an elected trustee for the waterfront property owners becomes vacant, a lake or pond association representing the greatest percentage of waterfront properties may appoint an interim trustee to that seat until a

REP. MILLIKEN'S AMENDMENT TO LD 531 (CONCEPT DRAFT BILL)

replacement trustee is elected at the next regular annual election of trustees. If such association fails to appoint an interim trustee or if no such association is in existence, the seat shall remain vacant until the next regular annual election.

6. Quorum and voting. A majority of the trustees appointed and elected to the board must be present at a meeting of the board to constitute a quorum. The board of trustees may act only upon the affirmative vote of 1) a majority of the trustees appointed and elected, regardless of the number of trustees present and voting at a meeting, and 2) the affirmative vote of at least one trustee appointed by the Town of Orland and one trustee elected by the waterfront property owners.

7. Effect of withdrawal. If the Town of Orland withdraws from the district in accordance with section A-6, the trustees appointed to represent the Town of Orland shall be reduced to one, with that reduction determined by lot, and the number trustees for the waterfront property owners shall be increased to four, with additional seats to be filled in the same manner as for a vacancy.

Sec. A-3. Powers; responsibilities. The district may sue; make contracts; apply for and accept grant or loan funds; accept gifts; purchase, lease, devise or otherwise acquire, hold or dispose of real or personal property; disburse money; contract debt; adopt rules; and do such other acts as necessary to carry out the authorities and responsibilities described in this section.

1. Authorities. The district shall have the authority to:

A. Develop operational rules for the management of the district including developing topic-specific committees with outside experts where necessary;

B. Deliver an annual request to the Town of Orland, subject to voter approval, to fund a portion of the district's operating and other costs;

C. Levy and collect an assessment on the waterfront property owners to fund a portion of the district's operating and other costs;

D. Establish liens on waterfront properties in the event the owner does not pay in full the assessed amount by the date such payment is due;

E. Take and hold, as for public use, real property and personal property and any interest therein necessary for such purposes, by lease or otherwise, and to exercise the right of eminent domain to acquire for such purposes any land, interest in land or water rights necessary for erecting and maintaining dams and such other objects necessary, convenient and proper for the purposes of the district and for rights-of-way or roadways to its dams, lands and facilities; and

F. Enter into cooperative agreements with other districts, including, but not limited to, the Toddy Pond Watershed Management District established in Part B of this Act,

REP. MILLIKEN'S AMENDMENT TO LD 531 (CONCEPT DRAFT BILL)

municipalities and entities for the purpose of planning, operations and maintenance, watershed improvement and for other purposes determined by the district.

2. Responsibilities. The district shall be responsible for:

A. Acquiring ownership of, owning and operating the dam infrastructure associated with Alamoosook Lake, including general operations, managing water levels and flow, managing inspections, planning for upgrades or repairs, and other dam management activities;

B. Preparing an annual operating and capital budget as described in the Part.

C. Holding at least one public meeting to discuss the district's annual proposed budget, which must be held at least two weeks prior to a vote by the legislative body of the Town of Orland on an article requesting the annual municipal contribution;

D. Conducting elections of trustees for the waterfront property owners;

E. Electing officers of the board of trustees;

F. Administering the affairs of the district, including, but not limited to financial management activities, recordkeeping, public communications, and contract management; and

G. Proactively assessing watershed improvements and developing policies and practices to enhance the watershed, including seeking funding opportunities for watershed improvements such as fish passage improvements, courtesy boat inspections and water quality and invasive species monitoring activities.

Sec. A-4. Annual operating and capital budget. The trustees of the district shall develop an annual operating budget, proposed appropriations into reserves for any capital outlay purpose or capital outlay appropriations as described in this section.

1. Budget hearing; Board approval. Prior to January 15 of each year and with sufficient time to incorporate any public input, the board shall hold a public budget hearing. At the budget hearing, the trustees shall explain the proposed budget and residents of the Town of Orland and the waterfront property owners shall be given an opportunity to be heard. At the budget meeting, only those items concerning the expenses necessary to operate the district, appropriations for a reserve fund and capital outlay shall be subject to public input. For an annual budget to be finalized and submitted for appropriation by the participating towns, the trustees shall vote [as follows]:

A. If the annual budget is less than \$100,000, adjusted annually for cumulative price inflation since December 31, 2024 based on the change in the Northeast Region CPI-U published by the U.S. Department of Labor Statistics (or, if this statistic is no longer published, an alternate measure of price inflation determined by the trustees) over the

REP. MILLIKEN'S AMENDMENT TO LD 531 (CONCEPT DRAFT BILL)

preceding 12 months, the budget shall be considered finalized and approved if it receives the number of affirmative votes identified in Section B-1(6).

B. If the annual budget exceeds the amount identified in sub-section 1(A), the budget shall be considered finalized and approved only if it receives the affirmative vote of 2/3 of the trustees regardless of whether they are present or voting.

The board shall ensure that the final annual operating budget is finalized for approval no later than January 15.

2. Budget approval process. Upon finalization of the annual operating budget by the board, the Town of Orland, for consideration at a town meeting, shall incorporate a warrant article as described in this section to allow the voters of the town to approve or reject the budget. During the initial funding period for the district, any requests for appropriation from the district may only include those amounts in excess of the amounts already appropriated by the Town of Orland at the time the district was formed.

The district shall provide information in print and electronic format regarding the annual budget and appropriation request to the Town of Orland prior to and at the town's annual town meeting, which shall include the total amounts proposed by the district for each cost center summary budget category, the amount approved by the board after public input gathered at the budget meeting and a summary of the total authorized expenditures for the district.

The board shall prepare the warrant article for this purpose and shall deliver the article to the municipal clerk of the Town of Orland no later than February 1 of each year. The warrant article shall be in the following form:

Do you favor the town raising and appropriating from property tax \$ (insert amount) to pay the town's municipal contribution to the Alamoosook Lake Watershed Management District?

3. Failure to approve municipal contribution. The Town of Orland's vote on the warrant article shall determine its obligation to pay the municipal contribution for the budgeted fiscal year. If the Town of Orland fails to appropriate funds for its municipal contribution, that amount not appropriated shall be included in the assessment made of the waterfront property owners.

Sec. A-5. Contributions and assessments. The annual budget for the district shall reflect all expected expenditures and additions to capital reserves, net of any grants, donations, loans or other anticipated sources of funds. To the extent that additional funds are required to balance the budget, referred to in this Part as the "aggregate funds required," the Town of Orland and the waterfront property owners shall provide funding for the aggregate funds required as follows.

1. Municipal contributions. If approved by the voters of the Town of Orland pursuant section A-4, the Town of Orland shall provide funding for 50% of the aggregate funds required,

REP. MILLIKEN'S AMENDMENT TO LD 531 (CONCEPT DRAFT BILL)

which shall be determined by the board in the manner described in Section A-4. The Town of Orland's appropriated municipal contribution must be paid to the district prior to August 1.

2. Waterfront property owners. The waterfront property owners shall provide funding for the remainder of the aggregate funds required, which shall be determined by the board as described in Section A-4. If the Town of Orland fails to appropriate funds for its municipal contribution, that amount not appropriated shall be included in the assessment made of the waterfront property owners.

A. Each waterfront property owner shall be required to pay an assessment proportional to the amount of shoreline frontage along Alamoosook Lake on that owner's lot or parcel. For the purposes of calculating this assessment, the shoreline frontage shall be the amount used for the purposes of property tax assessment, up to a maximum of 300 feet of shoreline frontage, and a lot or parcel with more than 300 feet of shoreline frontage shall be considered to have only 300 feet of shoreline frontage.

B. The district shall mail an invoice for the assessment amount due to each waterfront property owner on a schedule and with a specified payment due date as determined by the board. Failure to pay the assessment amount by the specified payment due date will incur interest and late fees as determined board in a manner consistent with Title 36, section 505. The district shall have the authority to place a lien on the lot or parcel of a waterfront property owner that fails to pay the assessment amount by the specified payment due date.

Sec. A-6. Withdrawal; dissolution. The legislative body of the Town or Orland may by majority vote elect to withdraw from the district and the board shall approve the withdrawal subject to such conditions and requirements reasonably necessary for the continued operation of the district as may be directed by the board. If the Town of Orland fails appropriate funds for its municipal contribution in accordance with the requirements of this Part for two consecutive years, it shall be considered to have withdrawn from the district, subject to such conditions and requirements reasonably necessary for the continued operation of the district as may be directed by the board. The district may be dissolved upon the disposition of all of its assets, settlement of any liabilities and by an affirmative vote on dissolution by the board of trustees.

Sec. A-7. Authorized activities prior to referendum. Notwithstanding the referendum requirement of section A-8, the municipal officers of the Town of Orland shall prepare an estimated budget for the district for its first year of operation and shall determine the aggregate funds required for that year. The municipal officers shall determine the required municipal contribution for the Town of Orland, which shall represent 50% of those aggregate funds required. The municipal contribution amount determined pursuant to this section shall be used for the purposes of the referendum required in section A-8.

Sec. A-8. Emergency clause; referendum; effective date. In view of the emergency cited in the preamble, Part A of this Act takes effect when approved only for the purposes of permitting its submission to the legal voters of the Town of Orland at a referendum called for that purpose and held after June 1, 2025 but within 2 years after the effective date of this Act.

REP. MILLIKEN'S AMENDMENT TO LD 531 (CONCEPT DRAFT BILL)

The referendum must be called by the municipal officers of the Town of Orland and must be held at the regular voting places. The referendum must be called, advertised and conducted according to the law relating to municipal elections. For the purpose of registration of voters, the registrar of voters must be in session the regular workday preceding the referendum. The subject matter of this Part is reduced to the following question:

Do you favor the establishment of and the town's participation in the Alamoosook Lake Watershed Management District and to appropriate \$ (insert amount) to provide the town's share of the estimated budget for the first year of operation of the Alamoosook Lake Watershed Management District?

The voters shall indicate by a cross or check mark placed against the word "Yes" or "No" their opinion of the same.

The results must be declared by the municipal officers of the Town of Orland and due certificate of the results filed by the clerk with the Secretary of State.

This Part takes effect for all other purposes immediately upon its approval by a majority of the legal voters of the Town of Orland voting at the referendum. Failure to achieve the necessary approval in any referendum does not prohibit subsequent referenda consistent with this section as long as the referenda are held within 2 years after the effective date of this Act.

PART B

TODDY POND WATERSHED MANAGEMENT DISTRICT

Sec. B-1. District established; general provisions. The Toddy Pond Watershed Management District, referred to in this Part as "the district," is established as a quasi-municipal Maine corporation, incorporated for the purposes described herein.

For the purposes of this Part, "participating town" means the Town of Blue Hill, the Town of Orland, the Town of Penobscot and the Town of Surry, except that any town whose legal voters do not approve participation in the district by a majority vote at referendum pursuant to section B-8, and any town that has withdrawn from the district pursuant to section B-6, shall not be considered a "participating town" for the purposes of this Part.

1. Tax exemption. The property, both real and personal, rights and franchises of the district and held within the boundaries of the Town of Blue Hill, the Town of Orland, the Town of Penobscot and the Town of Surry is forever exempt from taxation.

2. Liability. The district shall be considered a governmental entity for the purposes of Title 14, chapter 741.

3. Funding eligibility. It is intended that the district qualify for any grants, loans or other funding in the same manner as a municipality.

REP. MILLIKEN'S AMENDMENT TO LD 531 (CONCEPT DRAFT BILL)

4. Watershed district. It is intended that the district is eligible for the state agency assistance for watershed districts as provided in Title 38, section 2012.

5. Fiscal year. The fiscal year of the district shall be from July 1 to June 30 of each year.

Sec. B-2. Governance. The affairs of the district shall be managed by a board of trustees made up of a combination of trustees appointed by the municipal officers of the participating towns and trustees elected by the owners of the waterfront properties abutting Toddy Pond, referred to in this Part as "waterfront property owners".

1. Membership. Except as otherwise provided in this section, the board shall consist of 9 trustees as follows:

- A. Two trustees appointed by the municipal officers of the Town of Orland;
- B. One trustee appointed by the municipal officers of the Town of Penobscot;
- C. One trustee appointed by the municipal officers of the Town of Surry;
- D. One trustee appointed by the municipal officers of the Town of Blue Hill; and
- E. Four trustees elected by the waterfront property owners as provided in this section.

2. Nominations for election. Candidates for election by the waterfront property owners must be nominated by a lake or pond association representing at least 20% of those waterfront properties. If no such association is in existence, the nomination process shall be as adopted by the board.

3. Conduct of elections. Upon the establishment of the district, the trustees appointed by the participating towns will be responsible for conducting the initial election of the trustees for the waterfront property owners. The full board will be responsible for conducting elections subsequent to the initial election. The election ballot shall list the names of each trustee candidate and whether they are seeking a full term or to complete the remaining term for a vacant board seat and shall include any write-in candidates. Regardless of the number of actual or beneficial owners of a waterfront property, a duly authorized representative of each waterfront property owner may cast one vote for each open board seat listed on the election ballot. The candidate or, in the event that more than one board seat is listed on the election ballot, candidates who receive the most votes cast shall be declared the winners.

4. Staggered terms. The initial terms of the trustees appointed by the participating towns and the trustees for the waterfront property owners shall be staggered, as determined by lot, with as close as possible to an equal number of trustees serving initial terms of one year, two years and three years. Subsequently appointed or elected trustees shall serve three-year terms.

REP. MILLIKEN'S AMENDMENT TO LD 531 (CONCEPT DRAFT BILL)

5. Vacancies. In the event a board seat occupied by a town-appointed trustee becomes vacant, the municipal officers of the participating town that made the appointment to that seat may appoint a replacement trustee to complete the term for that seat. In the event a board seat occupied by an elected trustee for the waterfront property owners becomes vacant, a lake or pond association representing the greatest percentage of waterfront properties may appoint an interim trustee to that seat until a replacement trustee is elected at the next regular annual election of trustees. If such association fails to appoint an interim trustee or if no such association is in existence, the seat shall remain vacant until the next regular annual election.

6. Quorum and voting. A majority of the trustees appointed and elected to the board must be present at a meeting of the board to constitute a quorum. The board of trustees may act only upon the affirmative vote of 1) a majority of the trustees appointed and elected, regardless of the number of trustees present and voting at a meeting, and 2) the affirmative vote of at least one trustee appointed by the participating towns and one trustee elected by the waterfront property owners..

7. Effect of withdrawal. If a participating town withdraws from the district in accordance with section B-6, the trustee appointed to represent that town shall be removed from the board and the number of trustees for the waterfront property owners shall be reduced as necessary to ensure that, of the total number of trustees remaining, a majority are town-appointed trustees, provided that:

- A. The number of trustees for the Town of Orland may not be less than 1;
- B. The number of trustees for the waterfront property owners may not be less than 2; and
- C. If all participating towns have withdrawn from the district, the number of trustees for the waterfront property owners shall be 3.

Any required reduction in the number of trustees for the Town of Orland or for the waterfront property owners pursuant to this section shall be determined by lot.

Sec. B-3. Powers; responsibilities. The district may sue; make contracts; apply for and accept grant or loan funds; accept gifts; purchase, lease, devise or otherwise acquire, hold or dispose of real or personal property; disburse money; contract debt; adopt rules; and do such other acts as necessary to carry out the authorities and responsibilities described in this section.

1. Authorities. The district shall have the authority to:

- A. Develop operational rules for the management of the district including developing topic-specific committees with outside experts where necessary;
- B. Deliver an annual request to each participating town, subject to voter approval, to fund a portion of the district's operating and other costs;

REP. MILLIKEN'S AMENDMENT TO LD 531 (CONCEPT DRAFT BILL)

C. Levy and collect an assessment on the waterfront property owners to fund a portion of the district's operating and other costs;

D. Establish liens on waterfront properties in the event the owner does not pay in full the assessed amount by the date such payment is due;

E. Take and hold, as for public use, real property and personal property and any interest therein necessary for such purposes, by lease or otherwise, and to exercise the right of eminent domain to acquire for such purposes any land, interest in land or water rights necessary for erecting and maintaining dams and such other objects necessary, convenient and proper for the purposes of the district and for rights-of-way or roadways to its dams, lands and facilities; and

F. Enter into cooperative agreements with other districts, including, but not limited to, the Alamoosook Lake Watershed Management District established in Part A of this Act, municipalities and entities for the purpose of planning, operations and maintenance, watershed improvement and for other purposes determined by the district.

2. Responsibilities. The district shall be responsible for:

A. Acquiring ownership of, owning and operating the dam infrastructure associated with Toddy Pond, including general operations, managing water levels and flow, managing inspections, planning for upgrades or repairs, and other dam management activities;

B. Preparing an annual operating and capital budget as described in the Part.

C. Holding at least one public meeting to discuss the district's annual proposed budget, which must be held at least two weeks prior to a vote by the legislative body of a participating town on an article requesting the annual municipal contribution;

D. Conducting elections of trustees for the waterfront property owners;

E. Electing officers of the board of trustees;

F. Administering the affairs of the district, including, but not limited to financial management activities, recordkeeping, public communications, and contract management; and

G. Proactively assessing watershed improvements and developing policies and practices to enhance the watershed, including seeking funding opportunities for watershed improvements such as fish passage improvements, courtesy boat inspections and water quality and invasive species monitoring activities.

Sec. B-4. Annual operating and capital budget. The trustees of the district shall develop an annual operating budget, proposed appropriations into reserves for any capital outlay appropriations as described in this section.

REP. MILLIKEN'S AMENDMENT TO LD 531 (CONCEPT DRAFT BILL)

1. Budget hearing; Board approval. Prior to January 15 of each year and with sufficient time to incorporate any public input, the board shall hold a public budget hearing. At the budget hearing, the trustees shall explain the proposed budget and residents of the participating towns and the waterfront property owners shall be given an opportunity to be heard. At the budget meeting, only those items concerning the expenses necessary to operate the district, appropriations for a reserve fund and capital outlay shall be subject to public input. For an annual budget to be finalized and submitted for appropriation by the participating towns, the trustees shall vote [as follows]:

A. If the annual budget is less than \$100,000, adjusted annually for cumulative price inflation since December 31, 2024 based on the change in the Northeast Region CPI-U published by the U.S. Department of Labor Statistics (or, if this statistic is no longer published, an alternate measure of price inflation determined by the trustees) over the preceding 12 months, the budget shall be considered finalized and approved if it receives the number of affirmative votes identified in Section B-1(6).

B. If the annual budget exceeds the amount identified in sub-section 1(A), the budget shall be considered finalized and approved only if it receives the affirmative vote of 2/3 of the trustees regardless of whether they are present or voting.

The board shall ensure that the final annual budget is finalized for approval no later than January 15.

2. Budget approval process. Upon finalization of the annual budget by the board, each participating town shall incorporate a warrant article as described in this section, for consideration at a town meeting, to allow the voters of the town to approve or reject the budget. During the initial funding period for the district, any requests for appropriation from the district may only include those amounts in excess of the amounts already appropriated by a participating town at the time the district was formed.

The district shall provide information in print and electronic format regarding the annual budget and appropriation request to each participating town prior to and at the town's annual town meeting, which shall include the total amounts proposed by the district for each cost center summary budget category, the amount approved by the board after public input gathered at the budget meeting and a summary of the total authorized expenditures for the district.

The board shall prepare the warrant article for this purpose and shall deliver the article to the municipal clerk of each participating town no later than February 1 of each year. The warrant article shall be in the following form:

Do you favor the town raising and appropriating from property tax \$ (insert amount) to pay the town's municipal contribution to the Toddy Pond Watershed Management District?

3. Failure to approve municipal contribution. Each participating town's vote on the warrant article shall determine that town's obligation to pay the municipal contribution for the budgeted fiscal year. If a town fails to appropriate funds for its municipal contribution, that

REP. MILLIKEN'S AMENDMENT TO LD 531 (CONCEPT DRAFT BILL)

amount not appropriated shall be included in the assessment made of the waterfront property owners whose property is located in that town.

Sec. B-5. Contributions and assessments. The annual budget for the district shall reflect all expected expenditures and additions to capital reserves, net of any grants, donations, loans or other anticipated sources of funds. To the extent that additional funds are required to balance the budget, referred to in this Part as the "aggregate funds required," the participating towns and the waterfront property owners shall provide funding for the aggregate funds required as follows.

1. Municipal contributions. If approved by the voters of the participating towns, the participating towns shall provide funding for 50% of the aggregate funds required, which shall be determined by the board in the manner described in Section B-4 and which shall be apportioned amongst the participating towns based on the following percentages: Town of Blue Hill, 6%; Town of Orland, 43%; Town of Penobscot, 24%; and Town of Surry, 27%. A participating town's appropriated municipal contribution must be paid to the district prior to August 1.

2. Waterfront property owners. The waterfront property owners shall provide funding for the remainder of the aggregate funds required, which shall be determined by the board as described in Section B-4. If a participating town, or a town that has not voted to participate in the district, fails to appropriate funds for its municipal contribution, that amount not appropriated shall be included in the assessment made of the waterfront property owners whose property is located in that town.

A. Each waterfront property owner shall be required to pay an assessment proportional to the amount of shoreline frontage on the owner's lot or parcel. For the purposes of calculating this assessment, the shoreline frontage shall be the amount used for the purposes of property tax assessment, up to a maximum of 250 feet of shoreline frontage, and a lot or parcel with more than 250 feet of shoreline frontage shall be considered to have only 250 feet of shoreline frontage.

B. The district shall mail an invoice for the assessment amount due to each waterfront property owner on a schedule and with a specified payment due date as determined by the board. Failure to pay the assessment amount by the specified payment due date will incur interest and late fees as determined board in a manner consistent with Title 36, section 505. The district shall have the authority to place a lien on the lot or parcel of a waterfront property owner that fails to pay the assessment amount by the specified payment due date.

Sec. B-6. Withdrawal; dissolution. The legislative body of a participating town may by majority vote elect to withdraw from the district and the board shall approve the withdrawal subject to such conditions and requirements reasonably necessary for the continued operation of the district as may be directed by the board. If a participating town fails appropriate funds for its municipal contribution in accordance with the requirements of this Part for two consecutive years, the town shall be considered to have withdrawn from the district, subject to such

REP. MILLIKEN'S AMENDMENT TO LD 531 (CONCEPT DRAFT BILL)

conditions and requirements reasonably necessary for the continued operation of the district as may be directed by the board. The district may be dissolved upon the disposition of all of its assets, settlement of any liabilities and by an affirmative vote on dissolution by the board of trustees.

Sec. B-7. Authorized activities prior to referendum. Notwithstanding the referendum requirement of section B-8, the municipal officers of the participating towns shall prepare an estimated budget for the district for its first two years of operation and shall determine the aggregate funds required for those first two years. The municipal officers of the participating towns shall determine the required municipal contributions for each participating town, which shall in the aggregate represent 50% of those aggregate funds required, and which shall be apportioned amongst the participating towns based on the following percentages: Town of Blue Hill, 6%; Town of Orland, 43%; Town of Penobscot, 24%; and Town of Surry, 27%. The municipal contribution amounts determined for each participating town pursuant to this section shall be used for the purposes of the referendum required in section B-8.

Sec. B-8. Emergency clause; referendum; effective date. In view of the emergency cited in the preamble, Part B of this Act takes effect when approved only for the purposes of permitting its submission to the legal voters of the Town of Blue Hill, the Town of Orland, the Town of Penobscot and the Town of Surry at a referendum called for that purpose and held after June 1, 2025 but within 2 years after the effective date of this Act. Each referendum must be called by the municipal officers of the respective towns and must be held at the regular voting places. The referendum must be called, advertised and conducted according to the law relating to municipal elections. For the purpose of registration of voters, the registrars of voters must be in session the regular workday preceding the referendum. The subject matter of this Part is reduced to the following question:

Do you favor the establishment of and the town's participation in the Toddy Pond Watershed Management District and to appropriate \$ (insert amount) to provide the town's share of the estimated budget for the initial two years of operation of the Toddy Pond Watershed Management District?

The voters shall indicate by a cross or check mark placed against the word "Yes" or "No" their opinion of the same.

The results must be declared by the municipal officers of the Town of Blue Hill, the Town of Orland, the Town of Penobscot and the Town of Surry and due certificate of the results filed by the clerk with the Secretary of State.

This Part takes effect for all other purposes immediately upon its approval by a majority of the legal voters of one or more of the towns voting at referendum pursuant to this section. A town that fails to achieve the necessary approval in any referendum pursuant to this section shall not be considered a "participating town" for the purposes of this part but is not prohibited from conducting subsequent referenda consistent with this section as long as the referenda are held within 2 years after the effective date of this Act.

REP. MILLIKEN'S AMENDMENT TO LD 531 (CONCEPT DRAFT BILL)

SUMMARY

This amendment changes the title of and replaces the bill, which is a concept draft. Subject to approval by the voters of the Town of Orland at referendum, Part A of the bill establishes the Alamoosook Lake Watershed Management District for the purposes of acquiring ownership of, owning and operating the dam infrastructure and associated with Alamoosook Lake and engaging in other related activities. The costs of operations of the Alamoosook Lake Watershed Management District are to be funded as follows: 50% of the costs by municipal contribution from the Town of Orland, if approved by its voters; and the remainder of the costs by assessments made on the waterfront property owners as determined based on the shoreline frontage of each property owner.

Subject to approval by the voters of referendum by at least one of the Town of Orland, the Town of Penobscot, the Town of Blue Hill and the Town of Surry, Part B of the bill establishes the Toddy Pond Watershed Management District for the purposes of acquiring ownership of, owning and operating the dam infrastructure and associated with Toddy Pond and engaging in other related activities. The costs of operations of the Toddy Pond Watershed Management District are to be funded as follows: 50% of the costs by municipal contribution from the Towns of Orland, Penobscot, Blue Hill and Surry, if approved by the voters of those towns; and the remainder of the costs by assessments made on the owners of waterfront property abutting Toddy Pond as determined based on the shoreline frontage of each property owner.
