WE GOT MAIL!

Just received a care package from you guys! Thank you so much! It's the small things like this that makes a difference to our unit. It provides a small taste of home in which we miss the most! Once again I cannot thank you enough for taking the time to do something like this! You guys are amazing! God bless!

My Navy son who is currently on forward deployment sends a big smile and thank you for the cards and care package from youth for troops.

Just got a message from my nephew who is currently deployed overseas. He received care packages from Youth for Troops today! Thank you for all that you do for our active duty military and veterans!!! It was great to hear from him and to know that an unexpected package of goodies was delivered to him. It means a lot!

WE GOT MAIL!

I'll be sure to share the love with the boys. Thank you

Received one of your packages today. Thank you so much!

WE GOT MAIL!

To All of You from All of Us,
On behalf of my Crew THANK YOU!!!

Being away from family (Wives, Husbands, Sons, Daughters, Relatives and Friends) is hard...of this there is no doubt. However... Every once in a while, light shines in the dark, and in that moment the light given produces a smile, warm thoughts and overwhelming appreciation for those WE CHOOSE TO SERVE - YOU!!! For us that light came in the form of Boxes sent from Anthem, AZ

We cannot say thank you enough for the goodies and especially the notes and pictures!!! It warms our hearts when those we love so dearly choose to send us their love in return - and that is what you have done. Our lives are yours to put in the place of danger, in the place of hardship, in the place where so many others before us have gone - willingly and without reservation or hesitation because we know why we are needed. We do our work in the hope that we will one day never have to leave our loved ones be away again, to live FREE and in PEACE in the country we love so dearly. The beautiful USA where you, our loved ones, live. Until that day, we WILL continue to stand watch for you, whatever the cost, and wherever and whenever we are called. We also know that you are all at home fighting daily battles and that of COVID 19 - Have FAITH in yourselves and each other - We will prevail and We will be Whole again!!!

There is an African proverb - "If you want to go fast, go alone. If you want to go far, go together." With that, all we can say is Thank you Thank you Thank you!!!!!! The picture attached is those of us stationed here hailing from Otis Air National Guard Base in Massachusetts. We are holding the letters and pictures sent in the care packages.

All our love, prayers and affections...

THANK YOU!!!

WE GOT MAIL!

Hello!

My name is SGT [redacted] with the US Army Reserves and I just wanted to let you know how much we appreciated receiving your packages. A lot of times these care packages arrive at the times we need them the most. Maybe we just ran out of deodorant or shampoo, these travel-sized ones come in handy while we wait on our mail to arrive.

For me, the little sunscreen sticks will help me out on my runs, and I was in need of socks! I just wanted to touch base and let you know your packages make a difference to us, thank you!

Do you have a family member
or friend deployed?

We would be **honored**
to ship care packages
to your hero each month!

It is **FREE** to you and we look
forward to showing your hero
they are appreciated!

Youth for Troops receives DAR recognition

BY FOOTHILLS FOCUS STAFF

The Youth Chapter of the Arizona State Society of the Daughters of the American Revolution (DAR) has presented a 2021 Community Service Award to Youth for Troops for its outstanding contributions to the Anthem and North Phoenix communities.

"We are so proud to have Youth for Troops in our community," Ocealla Chapter Regent Gloria Clark said. "Our chapter has been involved with Youth for Troops in their care packages for deployed troops as well as making plastic mats for homeless veterans. We encourage everyone of all ages to participate in Youth for Troops activities."

The DAR Community Service Award is presented to an individual or organization contributing to the community in an outstanding manner through voluntary service, civic, benevolent service, or by organizing or participating in community activities.

"We recently assembled our 7,000th care package," said Tracy Pate, president of Youth for Troops. "Our 2022 goals are quite large, so we encourage community members of all ages to join us at our monthly packaging event and follow us on social media for additional ways to support our organization."

The National Society Daughters of the American Revolution (NSDAR) is a women's service organization whose members can trace their lineage to an individual who contributed to securing American independence during the Revolutionary War.

Today's DAR is dynamic and diverse, with over 100,000 members in 3,000 chapters in the United States and abroad. DAR chapters participate in projects to promote historic preservation, education and patriotism.

If you are interested in learning more about DAR membership, visit dar.org.

Youth for Troops' mission is to inspire patriotism in fellow youth and across generations by volunteering on behalf of military and veterans through community service, advocacy and education.

The leadership team of Youth for Troops consists of six youth comprising a Youth Advisory Board, a traditional board to provide adult oversight, and a panel of adult advisors.
