WE GOT MAIL!

Apr 5, 2022, 5:18 AM

Hello!

My name is SGT [redacted] with the US Army Reserves and I just wanted to let you know how much we appreciated receiving your packages. A lot of times these care packages arrive at the times we need them the most. Maybe we just ran out of deodorant or shampoo, these travel-sized ones come in handy while we wait on our mail to arrive.

For me, the little sunscreen sticks will help me out on my runs, and I was in need of socks! I just wanted to touch base and let you know your packages make a difference to us, thank you!

WE GOT MAIL!

Hello!

On behalf of the Public Health team here in Honduras, Soto Cano Airbase, we thank you! The goodies inside both packages were well received and everyone was able to get something. We loved the drawings, see some future artists. Thank you again and God bless

WE GOT MAIL!

Team,
Packages received for the troops overseas in time for Christmas and New Years
They even shared some packages with foreign troops they are deployed with. Thank you very much for help.

WE GOT MAIL!

I wanted to say thank you so much for the care packages that you sent to Prince Sultan Air Base! My squadron (the 908 Expeditionary Aerial Refueling Squadron) really appreciated it. You have definitely increased the moral around here because of your kind act!

Thank you!

WE GOT MAIL!

Dear Youth for Troops,

My name is _____, the acting company commander for the HHC "HAVOC" Company. I wanted to reach out and say thank you for the care package.

I also wanted to share with you all some of the training the DOGS OF WAR have been conducting in the _____ Region. I invite you to watch the video below that captures the training events we have completed the first quarter of our deployment in support of Operation European Assure, Deter, and Reinforce.

Again, thank you so much for the package. My Soldiers and I greatly appreciate it.

WE GOT MAIL!

Thank you for sending the wonderful care packages to our squadron.

It was very generous and thoughtful. We appreciate the love and support!

Thank you!

WE GOT MAIL!

Good morning!

I am the command chaplain at Camp Lemonnier in Djibouti Africa and I want to thank you for the wonderful packages, and words of encouragement.

It is awesome that you support the military, both those still serving and our veterans. I can tell you first hand that it makes a difference here. It is a hot, humid place here and the separation from family and friends is real. But getting a simple card, or a favorite candy can brighten the moment for many of our service members. As a chaplain, all I want is to take care of our troops.

Thank you for your great organization and making it a priority to care for others.

WE GOT MAIL!

To All of You from All of Us,
On behalf of my Crew THANK YOU!!!
Being away from family (Wives, Husbands, Sons, Daughters, Relatives and Friends) is hard...of this there is no doubt. However... Every once in a while, light shines in the dark, and in that moment the light given produces a smile, warm thoughts and overwhelming appreciation for those WE CHOOSE TO SERVE - YOU!!!
For us that light came in the form of Boxes sent from Anthem, AZ.

We cannot say thank you enough for the goodies and especially the notes and pictures!!! It warms our hearts when those we love so dearly choose to send us their love in return - and that is what you have done. Our lives are yours to put in the place of danger, in the place of hardship, in the place where so many others before us have gone - willingly and without reservation or hesitation because we know why we are needed. We do our work in the hope that we will one day never have to have our loved ones be away again, to live FREE and in PEACE in the country we love so dearly. The beautiful USA where you, our loved ones, live. Until that day, we will continue to stand watch for you, whatever the cost, and wherever and whenever we are called. We also know that you are all at home fighting daily battles and that of COVID 19 - Have FAITH in yourselves and each other - We will prevail and We will be Whole again!!!

There is an African proverb - "If you want to go fast, go alone. If you want to go far, go together." With that, all we can say is Thank you Thank you Thank you!!!! The picture attached is those of us stationed here hailing from Otis Air National Guard Base in Massachusetts. We are holding the letters and pictures sent in the care packages.

All our love, prayers and affections...

THANK YOU!!!

The Security Forces from ADAB

WE GOT MAIL!

Hello,

My deployed unit recently received a package from Youth for Troops. I just wanted to say thank you for thinking of us and for your generous gift. Being deployed during the holiday season can be tough, but a package with kind words and goodies from home goes a really long way. God bless you and those you love.

Take care!

WE GOT MAIL!

We all thank you from the fire department deployed out here. Your package is uplifting and appreciated. Thank you for your organization and supporting members down range.

Thank you again!
