

EASY READ - SERVICE AGREEMENT DESCRIPTION

WHAT IS A SERVICE AGREEMENT?

This document will help you learn about **Service Agreement**.

Service Agreement is a **document**.

It is for you and your service provider.

The **service provider** is the person or organisation that provides you with supports.

The document says that you both **agree** about the services you are going to receive.

When you have agreed, you both **sign** the document.

The Service Agreement is a good way to make sure you receive the services that are right for you.

And having a Service Agreement is a helpful way to make sure you have everything in writing if any problems occur.

How to make a **Service Agreement**?

You can ask another **trusted person** to enter into the Agreement for you. This might be a family member, carer, friend or other person. The trusted person can speak for you.

Also, it's a good idea to take a copy of your **NDIS Plan** to any meetings you have about your Service Agreement. If you want to, you can **attach a copy** of your NDIS Plan to the Agreement.

What should the Service Agreement **include**?

The Service Agreement should include information about the **supports** you receive.
