

# Pima Pets Boarding Agreement

## ABOUT US

We are a family-run non-profit. We take care of animals because we Love them. We are certified in dog and cat first aid. We don't believe In crating, kenneling or confining pets to small spaces – they're not Criminals, and should have the freedom to go into their homes or out to Their play areas as they like.

Larger dogs are kept outside. They love it there. Smaller dogs are Usually kept in the house, but are moved outside if they pee/poo in the House or on their bedding. Yes, we board cats also: we have an Outdoor facility for cats that's air conditioned and completely fenced (including the roof of the play yard), and an indoor cat enclosure.

You can find pictures at [PimaPets.com](http://PimaPets.com) and we post updates on our Facebook site, Pima Pets – Pet Boarding, and reviews by Googling "Pet Boarding Oro Valley"

## **ADDRESS & DROP OFF**

We are in Oro Valley, near Tangerine and First. Because we've had cases of people coming at all hours of the night and day, we now only give our address after we have a reservation or appointment.

**Please be ON TIME. We reserve the right to change the time/day of pick up or drop off if you are more than 15 minutes late.**

## **TRIAL STAY – A WAY TO INSURE THERE ARE NO ISSUES**

We require a one night "trial stay" for dogs over 20 lbs. We started trials when a person dropped his dog off before a week-long business trip. The dog barked all night long. By the third night, we had to have his emergency contact pick the dog up. This wasn't a good situation for anyone.

A one-night stay will give us time to assess how your dog acclimates to us and our place, and gives you a chance to assess us. The added benefit is that your pet will feel more comfortable coming back for a longer, "real" stay as he/she has already been a part of our family.

We offer trial stays for \$25, on Fridays and Saturdays. If you're interested in this, please let us know.

## **RESERVATIONS & CANCELATIONS**

We require payment in full in order to hold a space for your pet. We take payments by Venmo, Zelle, or you can call us to drop off a check/cash. Contact us for details on how to send payment electronically. After sending payment, please text 520-500-2563 so we can send you confirmation of receipt. We don't

accept credit cards. Please understand, you do not have a reservation (and we cannot take your pet) until full payment is received.

Cancellations made one week before drop off are given full credit for a future stay. We do not give refunds. Cancellations made within one week of the beginning of the reservation are not refunded or credited.
