

# Bad Faith Claims Expert

## Surety Expertise

Gregory S. Arnold, JD, LL.M (Insurance Law)

More than 30 years in-house experience with surety companies, handling thousands of performance bond, payment bond, and fidelity bond claims. Balanced expert experience. Retained both by attorneys who represent surety companies and those who represent obligees, principals, and indemnitors. My expert reports and testimony have never been stricken.

A published surety professional. Co-author, *Performance Bond Chapter, Construction Law Handbook*. Presenter at industry seminars and conferences.

## Insurance Expertise

Retained by attorneys representing both insurers and insureds / policyholders. Master of Legal Letters in Insurance Law from the University of Connecticut School of Law. Published in law journals. Never had my expert reports or testimony stricken.

Ask for my expert credentials, including detailed statistics on the matters on which I have been retained and the courts that have qualified me as an expert witness in surety and insurance matters. Expert credentials are also available at [www.TexasLexas.com](http://www.TexasLexas.com).
