

Knock knock!

## **Searching for a Surety and Fidelity Claims Expert?**

Then hire a licensed, former surety and fidelity claims adjuster.

Don't hire a former, unlicensed underwriter for a claims adjuster assignment. That's a square peg in a round hole.

Don't hire a former claims adjuster for a surety underwriting assignment. That's round peg in a square hole.

Maintain credibility in expert reports, expert depositions, and expert testimony at trial.
