Tony was phenomenal!!! Our wedding was exactly what we have hoped it would be- a fantastic party with every one dancing! All of our guests were on the dance floor from start to finish.

Tony had a wide variety of music and played every song we requested. He was extremely friendly, professional, kind, caring, and truly made our wedding unforgettable. Thank you Tony! You are the best!!!

★★★★★

My goodness, Jeff was so amazing, we are in awe of his skill. I think I left the dance floor twice, once to use the restroom and the next to use the photo booth, other than that we were boogying ALL NIGHT.

Everyone has been letting us know how much they loved him and that they would hire him for other events in the future. Very personable, professional, and overall a friendly guy. He kept us on track for the timeline because I completely forgot what we planned to do and when 🤦. Even people who don't normally dance were killing it on the floor. I was worried no one would dance but my fears were non-existent when the time came. Thank you so much for setting us up with him!

Eccentrik Events was absolutely great to work with for our special day. Tony was extremely responsive, flexible and catered to all our needs. Our DJ Ernie freaking killed it, and we couldn't have been happier!

We really appreciate everything they did for us, and would highly recommend Eccentrik Events for your special event. We also really appreciated the app provided to plan the music for our day.

Tony with Eccentrik Events helped elevate our wedding to the next level. He was extremely easy to work with and put together the perfect DJ set. He even let a family member jump in on his Saxophone and it was an amazing mashup that everyone was raving about. He is a true professional and if I ever need a DJ again, he will be getting a call.

Ernie was the DJ at my wedding. We absolutely loved what he did for us.

We had more comments on the DJ after the wedding was over than anything else.

HIGHLY recommend.

Kylie & Mike

★★★★★

Best DJ of weddings. He was great at communicating and was an actual DJ. He hyped up the party, there wasn't a single person not on the dance floor.

No awkward "I have to dance" moments, you wanted to dance. Couldn't rave about him enough, best money spent on my wedding.

★★★★★

The Most Amazing DJ!!

He went above and beyond anything we ever could have imagined. He kept everyone on the dance floor!

Everyone had such an amazing time and raved about the DJ and the lighting throughout our venue.

Tony Sinatra is that MAN!!!!!! I don't know why I was even entertaining other djs. He's worth every dime and more. He's such a humble and respectful man. He knows how to read the room to get people dancing.

He's so professional and can help you out tremendously with scheduling the timeline for you. He takes so much pressure away from the Bride and groom! I wish I had more time to thank him before leaving! You would NOT regret going Tony as your dj!

Cara & Cody

★★★★★

We hired Tony for our wedding in October and it was the best decision we made! He was not only organized but he took our vision of what we wanted and made it happen!!

We told him millennial dance club and he DEFINITELY brought the right vibes!! Our dance floor was packed the whole night and we got so many compliments!! My husband and I said after we need to throw another party just to hire Tony. If you don't hire him for your special event you are definitely missing out!!!
