BIOGRAPHY

Vinny Martinez, better known by his stage name, DJ V-MAN is a professional American open format party DJ/Video DJ and Event Host born and raised in Denver, Colorado, now currently residing in Las Vegas, Nevada specializing in fun, high-energy weddings, proms, homecomings, corporate, virtual, and social events. Following in his father's footsteps as a multi genre DJ himself, his love for music began at a young age. DJ V-MAN has graced the music scene with his song selection, flawless mixes, and ability to command a crowd since the age of 10.

DJ V-MAN specializes mixing multiple genres together including, but not limited to current Top 40 Pop, Dance, House, Hip Hop, R&B, Reggae, Reggaeton/Latin, Jazz, Funk, Country, Classic Rock, 50s, 60s, 70s, 80s, 90s, and 2000s decades.

DJ V-MAN graduated from college with a major in Multimedia Arts in Trinidad, Colorado. There he had his own mixshow on the local radio station, broadcasted the high school and college sporting events both on the radio and on live television. He also became the "MUST HAVE DJ" for all the college night and local high school dances.

BIOGRAPHY CONTINUED

While still residing back in his hometown of Denver, Colorado, DJ V-MAN used to work for the Colorado Department of Public Health & Environment in the Vital Records section issuing, correcting, and registering birth and death certificates. He had worked there for 9 years while continuing to DJ both nights and weekends. After many years of thinking about pursuing a full time career in the DJ industry, DJ V-MAN had finally decided to pack up all his stuff and move out to Las Vegas and make it happen.

Outside of the DJ world, DJ V-MAN's hobbies and interests are baseball, bowling, and golfing. A recent interest he has discovered is livestreaming. With technology being where it is in this day in time, being able to just click a button and have the entire world watch what you are doing in real time is amazing! DJ V-MAN broadcasts live DJ sets and daily life both on and off the Las Vegas strip.
