Hi! We're a full-time travel family exploring and homeschooling our way all across America in our 42-foot motorhome! So far, we've already been to 40 states and 35 National Parks... and there's still so much to see and do!

We love using the **OpenRoads** app. We've been able to use it all over the USA and get a big discount on diesel. *In the past 2.5 years, we've saved thousands on diesel!* We love that we can easily take our motorhome to truck stops and fill up, with the convenience of paying at the pump.

Travel safe... and follow our journey on Instagram, YouTube, Facebook, TikTok and Clapper!
