

How to use this Activity Pack

Welcome to the Christmas edition of the Buttons & Bubbles activity pack. We hope you'll enjoy what we have in store.

A quick word on how to use this pack....

You don't need to print the whole pack.

Quite a few pages contain the story and instructions. These pages can simply be viewed on your device, read and enjoyed together.

The pages with the activities and templates on are indicated by a 'A' on the top right hand side of the page.

You will find the answers at the back of this pack.
