Benefit open and 16U softball tournament in memory of J. Elmer Stoltzfus. There will be plenty of great food available all weekend long, as well as a gospel concert on Friday night. There will also be a 50/50 raffle and about 6-8 additional raffle items.

Come out and enjoy the weekend socializing with family and friends, with softball, music, and food all while contributing to a great cause.

Fundraiser: The proceeds of this event will go to Widowhood Support Network (WSN). WSN is an organization committed to providing financial and emotional / spiritual support and construction aid to widows and widowers in our local community and surrounding areas.

Softball: Balls used will be Baden .44 core/375 softballs. Teams must supply their own softballs. They will be available for purchase at the park. Games will be umpired by ASA umpires, and there will be cash prizes for the tournament champions and runner-ups. ASA pitching rules will apply but there will be a few modifications to general ASA rules (1 courtesy runner per inning + pitcher, 5 HR per game).

Due to limited fields available for reservation, we will be limiting the amount of teams in the tournament, and we expect it to fill up pretty quickly.

Sponsorships: If you are unable to attend the event and still want to participate, we have other options for you such as sponsorship or donating items for the raffles. Call Jonas @ 717-723-1174 or Levi @ 717-471-7824 for information on these options.
