Buckle up, it will save your whole family....

Kyle Ringhofer 38 years old, died Sunday Oct 28th
2018 after hitting a deer and being thrown from his
UTV on his way home in Meadowlands Mn.

Side by side accidents resulting in deaths.

2016 - 3 deaths 2 were thrown from the machine

2017 - 7 deaths 3 were thrown from the machine

2018 - 6 deaths 5 were thrown from the machine

In 2018 84% of deaths people were not wearing seat belts in a side by side ATV

Feel empowered to tell someone to buckle up.

Say things like:

“I’m not going to ride with you if you don’t wear your seatbelt, I don’t care how fast or slow we go.”

“This is no different than riding in the car or truck, buckle up.”

“That is not a good excuse to not wear it, put it on.”

“Remember Kyle.”
