

# AT HOME IN Plymouth Village

JANUARY 2026 | ISSUE NO. 9

NEWSLETTER OF OUR LOCAL REAL ESTATE NEIGHBORHOOD

## WEATHERING WINTER WELL

### **Make the most of a Hudson Winter while staying safe!**

- Carry-through on car prep! Stock a blanket, flashlight, sand, extra gloves, a hat, a first-aid kit, a few snacks and jumper cables.
- Remember basic maintenance like having your chimney swept, changing your furnace filter regularly and cleaning your dryer's lint trap
- Pop into a second-hand store to stock up on a hat and scarf for snowman building props.
- Feed our feathered friends! Both ACE Hardware and Discount DrugMart carry bird seed and suet.
- Stock a few special games and toys that are just for a school "snow day."
- Important - never run a generator indoors and make sure all of your smoke and CO detectors are in working order!
