NEWSLETTER OF OUR LOCAL REAL ESTATE NEIGHBORHOOD

HAPPY HOLIDAY HACKS

Think outside the gift box for a fun, festive holiday season!

- *Snap it quick!* If you are hosting a holiday get-together create a photo-op location in or outside. Hang a background or find a festive spot that folks can access easily.. Add some holiday-themed decor or props and to boost the fun create a party-specific hashtag so that everyone can share their photos online.
- *Mix it up!* At our house we make one holiday meal as a summertime cookout - hotdogs, potato salad, fruit and lemonade. It makes for a nice break from the heavy holiday foods and is quick to fix and clean up leaving time and room for the larger meals of the season.
- *Take it out!* With so many amazing Hudson restaurants to choose from why not order a full meal for pickup and save yourself all that stress?
