

Aloha!

As the technician of Body Love Studio, I would like to take this opportunity to welcome you as a new client of mine. I am thrilled to have you. I value offering my clients responsive, quality, and excellent services. My clients are the most essential part of my business, and I work to ensure complete satisfaction in my patient care.

I am happy to inform you that I will be your primary point of contact for this company. My name is Chanel, I am your Certified Body Sculpting Technician. I will be more than happy to answer any questions or concerns you may have throughout your journey!

We always start with a complimentary 15-minute consultation. Here is where I will educate you on your service of interest and answer any questions you may have. This is also where we will discuss payment options and a 50% deposit.

I would love to analyze your "body goals" before I see you. Please send your "BEFORE" pictures before we proceed any further. This email will be our "ONE" thread. Please include your name, address, and what area(s) you want to be treated. With this, I can help you determine how many sessions you will need.

Your pictures are strictly confidential with me unless you agree to post.

There is wonderful information to access on my website www.bodylove.studio for you to go over before our one-on-one call.
