

Brush Magic

HYGIENE & SKIN CONDITION

NOTICE

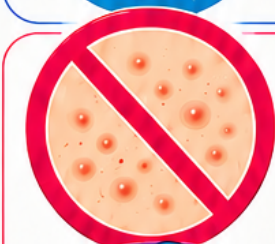

For the **safety**, **comfort**, and **hygiene** of all children, please ensure that faces are **clean and dry** before face painting.

The face should be free from **food**, **drinks** and **makeup**.

Please ensure the nose is **clean and wiped** before painting begins.

Face painting cannot be carried out on skin that is **broken**, **infected**, **irritated**, or showing signs of a **contagious skin condition**.

If a child appears unwell or has a condition that may be aggravated by face paint, we reserve the right to **decline service**.

Hair should be **clean**, free from **lice** or any **scalp condition**.

These measures help us maintain **high hygiene standards** and ensure the **best possible** face painting results for everyone.

Thank you for helping us keep face painting **safe**, **clean**, and **fun**!

Please read our disclaimer before service.
Available for private events.
