

February 2024

Dear brothers and fellow servants in the ministry, it is a joy to greet you in the glorious name of our Lord Jesus Christ, we wish and pray for you that your lives and ministries may prosper in everything. By the grace of God, we are well, we continue to advance in evangelism, we have been able to enter a new colony from which we obtained promises. We also had our first stewardship conference, thank God we had a good time. We are discipling some families in the village who have been faithful. We ask for your prayers for our safety since we are doing this trip by motorcycle to save on fuel, which is a great effort from part of my wife. She has always been afraid of traveling on motorcycle. We also went to the village of El Carrizal and presented the film "The Life of Jesus." They had warned us not to go there because the people in the community are extremeliy catholic, there is no other church other than the Catholic those who have tried to enter have been removed of the community, thank God we obtained permission from the teacher to use the school yard, 10 people received Christ. We ask for your prayers for this community.

Evangelistic movie and personal evangelism.

Prayers

For fruits that remain, for our finances that the Lord continues to provide to be able to do the work, and that more churches and individuals can join this project.

For my health since due to the medicines I take my back is affecting me, may the Lord give us wisdom on what to do.

Thanks

To each of you who has a part with your prayers and offerings, for an anonymous family that helped us repair the roof, it was an answered prayer.
