

Christmas Possibilities!

SCRIPTURES: Matt. 2:1,11 John 16:32 Matt. 19:26 1st John 4:4

Christmas is a time of: ***Opportunities; Gifts (giving & receiving) & Miracles unfolding.***

How to be OPEN & RECEPTIVE to your Christmas Opportunities:

1. ***Thru-out your day affirm: "There is Magic in the Air & Miracles are possible in my life."***
"I joyously Expect my Christmas Miracle!" "Miracles flow freely in my life & I am Grateful to God!"
2. ***Spend a time in Meditation each day:*** Affirm & contemplate: ***"I am Open & Receptive; ready to receive All the Good God has for me"*** – until you can feel this as an energy within that rises thru you continually. Feel yourself Receiving God's Blessings. Move into GRATITUDE: All you Have; all you can Give; & all you will Receive. Feel Gratitude to God for the Opportunities & the Miracles on their way to you.
3. **Look for Opportunities to Give to Life.** Whenever an Opportunity to Do Something that will help or Make things Better arises embrace it. Give some POSITIVE ENERGY wherever you go! Give Support to others around you. Image yourself as the Messenger of God, projecting BLESSINGS to everyone.
4. **Each day, EXPECT Opportunities to be Given to you & generate the courage to say YES to opportunities you might have normally withdrawn from.**
5. **Embrace the Idea that RELATIONSHIP MIRACLES are a part of your Spiritual Gift this Christmas:** 1st Take time - Cherish those people you love; Reach out to People you have lost touch with; Embrace Forgiveness & Bless those for whom you've held animosity; Bless those who have "Left your Life"; Cherish what Lessons you have learned from the difficult people.
6. **Turn your Challenges into Opportunities:** ***"It's not a Problem. It's an Opportunity!"*** Our Challenges have made us "who we are", even more than our Successes. Realize: A Problem is an Opportunity to become More! Embrace the "Destruction of your Dreams" as the PROMISE that Something New & Greater is about to Unfold in your life.
7. **This Christmas, Embrace the Ultimate Miracle of Spiritual Awakening:** Expect, some new awakening "within" this Christmas! Possibly, a glimpse of the Power of God – moving in your life or a glimpse of the Christ Spirit within you & a New commitment from your Personal Self to SERVE that which is HIGHER within. An Awakening could be the Experience of: Glory all around you; that God is your Source & God will take care of you; yourself as a Spiritual being – an Eternal Being of Light. Experience of HOME & the Realization that within God you are Already Home. ***"I am never alone because the Father is always with me."***
