

Group Mind

SCRIPTURES: Matt. 18:20; John 12:32

Group Consciousness Happens when you realize: “I am Part of Something Greater than myself.” Joining together as One – puts you in the realm where universal mind becomes part of your group mind. We DRAW from Human Race Consciousness; BUT also, CONTRIBUTE to Human Race Conscious You can BE a CONSCIOUSNESS LEADER! Others around you pick up “What you are radiating” into the Group Conscious.

Practices for tapping the Power of Group Mind:

- 1. Create Prayer Groups: enlist others in your Prayers & Pray for others.** Think of this Church & feel Connected to Group Conscious (Unity Orlando).
- 2. When you Pray: Feel Connected to All the Sp. Power in the Universe.** Angels, Spiritual Forces, Guides, other Beings of Light, the Holy Spirit. Pray in the Presence of Jesus Christ. Ask the Christ Spirit to move thru you & take command of the situation. Declare in Prayer: “*God, Thy Will be done*” & Put it in God’s hands.
- 3. Feel Yourself connected to Other Beings of Light, in this world & beyond.** Reach into the thought Atmosphere & connect w/ others who share your aspirations. When in Need, Call out to Jesus & Feel the Response. And, Call Out to Friends silently & feel their invisible Response.
- 4. Practice BRAIN-STORMING with Others.**
- 5. When dealing with an Adversary: Rise to your Highest Level of Consciousness, & then, Reach out to them on a Mind Level & Embrace them as Part of You.** Law of Consc: “*When two people are in different states of Consciousness, if you Keep your heart open & hold the High Ground, they will eventually come to your level of consciousness or take their leave.*”
Corollary: “Before they come to your level, they will try very hard to pull you down to theirs.”
You do this all on an invisible level, while physically “refusing to React in Anger”.
- 6. To Give your support to someone in emotional distress or beaten down by life; 1st Go to their level, Be one with them & their pain; then consciously RISE to a Higher Emotional State, and Pull them with you!**
- 7. For anything Important, Gather a Group.** Trust that Group Mind can do more than any One of you could do alone. Consciously, Place DIVINE MIND as the Leader of your Group (not you).
- 8. See yourself Helping to Lift the Consciousness of the Earth!** Create your Bubble of Light!
And affirm “*I, if I be lifted up, will draw all humanity to me.*”
