

Master, Saint, & Prophet

SCRIPTURES: Matt. 7:4-5; Luke 10:30-37; Matt. 28:18-20; Matt. 10:19-20

We are here as Human Beings & Spiritual Beings – have a growth agenda on both levels. For our Spiritual Growth Agenda we learn Self Mastery, Compassion for others, & to pass on what we have learned to serve the whole. The MASTER, SAINT, & PROPHET point out 3 Aspects of Following the Spiritual Path to fulfill our Spiritual Purpose. Ultimately, we will work in all 3 areas. Look for ASSIGNMENTS. Your Life is always offering Spiritual Assignments, if you are looking for them! Expanding on Spiritual Levels will fill our lives with a Deep Sense of PURPOSE.

HOW To Embrace your SPIRITUAL PURPOSE in each of the 3 Basic Approaches:

I. The MASTER: Pursue SELF-MASTERY. Make sure your addictions (emotional & physical) are not ruling your life. Set up a program of Spiritual exploration & stick with it. Discipline your mind to center on the things you want to create in your life. Turn away from Negative Emotions & dwell on Goodness. Realize *“You have always been your greatest adversary.”*

II. The SAINT: Constantly, look for ways to SERVE! Pay attention to people’s feelings around you & comfort them when they need it. Get Out of Yourself, See from another’s point of view, & share their pain, then lift them. Praise People & Give them Confidence whenever you can. Learn to approach every part of your life with COMPASSION! Know that God can use you to heal, whether it be a few words or a simple touch.

III. The PROPHET: Accept Opportunities to share what you have Learned Spiritually. You may want to “test the waters” first to see if they are receptive. Live your Life as an Example of your Spiritual Values; Let your life be your teaching. Accept Opportunities to Teach or to Mentor when they are offered. Do your best whether you think yourself up to it or not. Realize: God uses you to create Positive Change in the world. You aren’t on your own. Affirm: *“It is not I, but the Spirit within me that does the work, thru me.”*
