STOCKHO
YAT

S LMAK ODASI/BEDROOMStockholm bedroom set proves that it can be both simple and assertive with it s original design. The combination of noble looking cabinet and drawer doors brings a perfect harmony to the design. Stockholm yatak odası takımı özgün tasarımı ile hem sade hem de iddialı olabileceğini kanıtlıyor. Asil görünümlü dolap ve çekmece kapaklarının birleşimi tasarıma mükemmel bir uyum getiriyor.
