Good Morning The Grove family!

Praying that you all are doing well this morning, and that you were not tricked to badly by any April fool's jokes and that you had a wonderful Easter.

This month we are kicking off a series that I think we are going to start doing yearly. We did it last year and this year I wanted to establish it to be a more permanent series. This month I (Jordan) am not preaching. This month, Our Elders, and Dustin our Associate Minister, will be leading this month's series simply Titled: Wisdom – 2024.

Each Year I task the leaders of The Grove to prepare and preach in a similarly themed series. Last year they were tasked to look at their favorite most impactful Hymns to them and preach on the text or history of that hymn. This year they have been tasked with the Psalms. I am excited as I have been talking with them about what they are feeling like God is putting on their hearts to bring to the congregation this month.

Going into and during this month, please be praying for our leadership even more so as they begin to finalize what they will be bringing to us on their chosen Sunday.

Also, This Sunday we have a missionary visit!

Chris Irwin will be joining us this Sunday during Missions' Moment to tell us more about one of the missions we directly support with the offering that gets brought in. Every first Sunday of the month has a Missions' Moment so it is wonderful to have one of our missions come in and be a part of the service with us.

We are looking forward to the coming series and events that are taking place this year!

In Him,

Jordan Kattine (Lead Minister)
