Good morning The Grove family,

Praying that this trumpet finds you well.

It is weird to realize that summer is drawing close to an end. For me at least, 2024 has gone by rather quickly.

I pray that this summer series that we have been on together has been not only impactful, but transformative. We all have an ideal way of life. Some of you may not be too far off from the life you have set to achieve. Others, maybe even you reading this trumpet, may be far from the life you have set to achieve.

However, in either case, reaching the life you've always wanted does not happen overnight. It is a gradual process of transformation. Sometimes that process looks simply, like reading your bible a little each day. Sometimes that process looks difficult, like cutting out things in your life.

Getting to the life you've always wanted in your pursuit of God is something that is a continuous journey. It requires us to practice the disciplines that we are given and listen to the God speaking into our lives.

This morning, meditate on this passage from Proverbs. We do not have the best vantage point. However, we have the Holy Spirit within us to help guide us and give insight into where we need to go.

Proverbs 3:5-6

*⁵ Trust in the Lord with all your heart
and lean not on your own understanding;
⁶ in all your ways submit to him,
and he will make your paths straight.^[a]*

Praying for you all this week.

In Him,

Jordan Kattine (Lead Minister)
