☘ ST PATTY'S TRIVIA

St. Patrick's original color was blue, not green. The color green became associated with him due to Ireland's nickname, "The Emerald Isle."

More than 13 million pints of Guinness are consumed worldwide on St. Patrick's Day.

Monthly Sales Tip:

"Leverage Q1 Urgency"

March is the final month of Q1— Which means decision makers' core:
- Reviewing Q1 Performance
- Evaluating Production Gaps
- Adjusting Budgets
- Feeling pressure to hit targets

This is the perfect time to ask your client:
- How did Q1 production compare to expectations?
- Are you staffed where you need to be headed into Q2?
- What hiring challenges slowed you down in Q1?

Monthly Recruiter Tip:

"Spring Clean Your Pipeline"

March is the perfect time to clean up and reactivate your candidate pool.

Take 30-60 minutes to:

- Review candidates who were "almost placed"

- Reconnect with past employees whose assignments ended on a good note
