Employee of the Month Lana Hartman-Operations Manager

Lana began her journey with Paydayz Staffing as an Admin in our Lenexa office and has grown into our Operations Manager, taking on every challenge with incredible dedication and skill. She knows Paydayz Staffing inside and out, steps up to any task without hesitation, and keeps our entire operation running smoothly every single day. She is more than just an outstanding employee and manager, she is a true cheerleader, trusted co-worker, and beloved friend to everyone on the team. Quite simply, we could not run Paydayz Staffing without her. Congratulations, Lana—we're so grateful for everything you do!

📍 May Recruiting Tip:

Keep your outreach short, personalized, and timely.

As the weather warms up, candidates are busier and less responsive to long messages.

A quick, tailored message that highlights why they're a fit and what's in it for them will get more replies.

📍 May Sales Tip

Focus on speed and follow-up. Leads go cold fast—especially this time of year. The quicker you respond and consistently follow up, the higher your chances of closing.

💡 Aim to:

- Respond to new leads within minutes, not hours
 - Follow up at least 2-3 times if you don't hear back
 - Keep communication clear and to the point
- Consistency in follow-up is often the difference between a missed opportunity and a closed deal.
