Our Next Chapter

THIS IS TRULY AN EXCITING AND JOYFUL TIME in the life of Saint Sharbel Church. We are blessed to be a part of an active community of 470 families and growing.

- In response to the many urgent needs and opportunities in our parish, we are building a new, modernized and centralized church. We will be launching a capital campaign in December 2019 to achieve this goal.

- Our campaign slogan is “Growing Together, Building in Faith,” reminding us of our history as a parish and how we have arrived at this pivotal moment.

- Our mission remains to encounter Christ and be disciples using our God-given gifts of time, talent and treasure for the benefit of our church and community. A well-cared for and new facility is a critical part of that mission.

How We Get There

THROUGHOUT THE HISTORY OF OUR PARISH, the parishioners of St. Sharbel have built our church into a strong community of faith and stewardship. We are confident that this project will be met with a high degree of commitment and participation.

- The entire project is estimated to cost \$2.8 million. The church will contribute \$1 million of its funds and raise the remaining \$1.8 million with your help. Construction of the building is anticipated to start in the summer of 2021.

- We are counting on every member of our parish community to make a prayerful decision about how they will support this effort. Whether you participate by donating, giving online or attending a campaign event, it is your act of involvement that will make this campaign a success.

- It is our time to reach even greater heights through **“Growing Together, Building in Faith.”**
