Medicare de-complicator guide

We're de-complicators.

The de-mystifiers who make Medicare clear and simple. Figure-outers who can help you pick a plan that suits your needs and your budget.

When it comes to Medicare, you have lots of options.

But all those choices can make it harder to find the coverage that's best for you. UCare can help. We created this simple guide to make Medicare easier. It covers important basics you'll need to know, like:

The four parts of Medicare

When to enroll in Medicare

What each part covers

How to avoid penalties

The four parts of Medicare and what they cover.

Each part covers different health care services.

Hospital Insurance

Medical Insurance

Medicare Advantage

Prescription Drug Coverage

Part A: Original Medicare

Hospital Insurance

What it covers

- ✓ Hospital stays
- ✓ Care in a skilled nursing facility
- ✓ Home health care
- ✓ Hospice care

Your out-of-pocket costs

- ✓ Copays
- ✓ Deductibles
- ✓ Coinsurance

Words to know

Copay

This is a set fee you pay when you visit your doctor or clinic or fill a prescription.

Coinsurance

You and your plan share the cost for some services. Coinsurance is the percentage of the cost you pay for a covered health care service.

Deductible

A deductible is the amount you pay for health care services before your plan begins to pay.

Monthly premium

This is the amount you pay each month for your health plan coverage.

Part B: Original Medicare

Medical Insurance

What it covers

- ✓ Doctor visits
- ✓ Outpatient surgery
- ✓ Ambulance
- ✓ Medical equipment and supplies

Your out-of-pocket costs

- ✓ Monthly premiums
- ✓ Annual deductibles
- ✓ Coinsurance

Original Medicare covers a lot, but it won't pay for all the health care you may need.

If you only have Part A and Part B coverage, you'll pay the full cost for services Original Medicare doesn't cover, including:

- ✓ Preventive dental care and most other dental services
- ✓ Routine eye exams and eyewear
- ✓ Routine hearing exams and hearing aids
- ✓ Routine physical exams
- ✓ Fitness club memberships
- ✓ Prescription drugs you may take at home
- ✓ Care in a skilled nursing facility without a qualifying 3-day hospital stay
- ✓ Most care you receive when traveling outside the U.S.

Part C: Medicare Advantage

Part C is also known as Medicare Advantage. These are private plans approved by Medicare. You can buy a Medicare Advantage plan to help pay for costs Original Medicare doesn't cover. These plans include all your Part A and Part B benefits along with many extras. Most offer Part D prescription drug coverage too.

What it covers

- ✓ Part A and Part B benefits
- ✓ Extras that may include vision, dental and fitness benefits
- ✓ Part D prescription drug coverage (most Medicare Advantage plans)

Your out-of-pocket costs

- ✓ Monthly premiums
- ✓ Copays
- ✓ Annual deductibles
- ✓ Coinsurance

Medicare Advantage plans are a popular choice for those who want the convenience of having all their health care benefits under one plan.

The “Advantages” of Medicare Advantage.

Convenience

When you choose a Medicare Advantage plan that includes Part D prescription drug coverage, you get all your health benefits — and many extras — under one plan.

Travel coverage

Some Medicare Advantage plans cover you anywhere in the U.S. Most also include emergency coverage worldwide.

Financial protection

Unlike Original Medicare, which doesn't limit how much you may have to pay out-of-pocket each year, Medicare Advantage plans set a maximum on your out-of-pocket costs.

Part D: Prescription Drug Coverage

You can purchase Part D coverage from private health care companies to help cover the cost of your prescriptions.

Stages of coverage

- ✓ Initial coverage phase
- ✓ Coverage gap
- ✓ Catastrophic coverage

Your out-of-pocket costs

- ✓ Monthly premiums
- ✓ Copays
- ✓ Annual deductibles
- ✓ Coinsurance

There are two ways to get Part D:

As part of a Medicare Advantage plan (MA-PD)

As a separate, stand-alone prescription drug plan (PDP)

How Part D works

Part D works differently from other parts of Medicare.

- ✓ Plans are different when it comes to the drugs they cover
- ✓ Before you enroll, check to make sure your medications are on the list of covered drugs (formulary)
- ✓ How much your plan pays for your prescriptions depends on what phase of coverage you are in

Standard benefits include three phases of coverage:

You also may be able to get Extra Help to pay for your prescription drug costs. Visit ssa.gov to see if you qualify.

Enrolling in Medicare.

When to enroll:

Most people are eligible for Medicare at age 65. If you're already receiving Social Security benefits, you'll automatically be enrolled. If not, you'll need to sign up.

You have seven months to sign up for Medicare when you first become eligible:

Three months
before your
birthday month

+

Your birthday
month

+

Three months
after your
birthday month

Where to sign up:

You enroll in Part A and Part B through Social Security:

- ✓ Online at [ssa.gov](https://www.ssa.gov)
- ✓ By phone at **1-800-772-1213**,
24 hours a day, 7 days a week
- ✓ In person at your local Social Security office

You can enroll in Part C and Part D through private insurance companies only after you've enrolled in Original Medicare:

- ✓ You must have Part A and Part B before you can enroll in a Part C Medicare Advantage plan
- ✓ You must have Part A or Part B before you can enroll in Part D coverage

Delaying enrollment

You can wait to enroll in Medicare if you plan to keep working after age 65 and have coverage through your employer or your spouse's employer.

If you wait to enroll in Part B and are not covered through an employer plan, you will only be able to sign up between January 1 and March 31 during the General Enrollment Period. Your coverage will begin July 1.

Late enrollment penalties

If you don't sign up for Part B and Part D when you first become eligible for Medicare, you may pay a penalty if you decide to sign up later.

Visit [medicare.gov](https://www.medicare.gov) for details about penalties.

Things to
consider as
you shop
for a plan.

This simple checklist can help you keep track.

Be sure to compare plan features, costs and benefits as you shop.

What is the monthly premium?

Does the plan include Part D prescription drug coverage?

Are my medications included in the list of covered drugs?

Are my doctors and clinics in the plan network?

What is my copay for doctor and clinic visits?

What is my copay for prescriptions?

Will the plan cover emergency care I receive outside the network and outside the U.S.?

Will the plan help pay for my health club membership?

Does the plan include dental benefits?

Is my dentist in the plan network?

Does the plan cover eye exams and eyewear?

Does the plan cover hearing exams and hearing aids?

Do my friends or family members recommend this plan?
