¹ All samples submitted to GenSol become the property of GenSol and may be used for internal quality control and/or research purposes. Test results provide information concerning a pet's DNA sequence and are not an indication or guarantee of pet's disease state or condition. Test results should not be used to diagnose, treat or prevent disease.

² Results of sequence test results are the average for the sample obtained from the client dog. In the event of a call claim, results will usually be a result of the test panel. WE DO NOT GUARANTEE GENOTYPE, BE LIABLE FOR INBREEDING, CONFIDENTIAL OR IDENTICAL INBREEDING OF ANY KIND. Any claim must be received within one year of the report of test results.

**Please consult a licensed veterinarian
to discuss the implications of the above test results.**
