

## Shryl Miles

Shryl graduated with Highest Honors from California State University, Fullerton with a bachelor of fine arts degree in graphic design. She also studied for 2 years with renowned California artist and teacher Hal Reed, founder of The Art League of Los Angeles.

Her preferred media is watercolor. She feels the greatest challenge for a watercolor artist is preserving the white in the painting. She does this without benefit of masking materials or white paint and feels a great sense of accomplishment when a painting is completed to her satisfaction.

Shryl's interest in various subject matter, media and style has lead her to make a conscious decision to paint in series of paintings. This allows her the opportunity to explore different genre, styles and media and learn how each relates to a particular subject matter. She feels this shifting of genre, style and media will keep her work fresh while preventing her from getting "locked" into any particular category.

She is very active with the San Pedro River Arts Council and has served on its board of directors since its inception.
