March 2024

Happy St Patrick's Day and Spring is on its way!

Hello fellow artists!

The art show is up, and it looks fantastic. Please come by the college in Benson and have a look at all the fabulous art by our local artists, and the young people's art is very impressive!

Celebrate the Arts reception is on Saturday the 16th 2pm to 4pm We will have music, lite refreshments, and of course awards. This year we also have a progressive raffle with great prizes, so come have fun and support this yearly fundraiser event.

Some news about our own Linda Stacy. Linda has been the face and action behind a lot of SPRAC events, but Linda has decided to retire from the position of Events Coordinator. This position can be split up into three parts or a team can volunteer. If you would like to volunteer, please contact us for more information.

Thank you, Linda, for all that you have done for supporting SPRAC and our programs. Linda is still a valuable mentor and docent at Endeavor and will be happy to help in training her replacements.

Members, it is now your time to participate in making decisions and voting on a new board member. Election time is in April, if you know someone who is a member in good standing and would love to be on the SPRAC Board, you can nominate them now by contacting us for the April ballot.

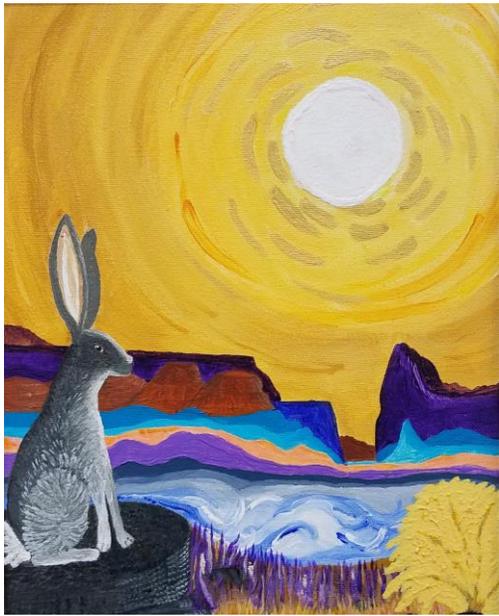

No Art share this month because of the art show. Hope to see everyone at the reception.

Keep Creating!
