June 2024

Time for Monsoons, we hope!

I love this season, crazy skies, sideways rain and of course the sound effects. This makes for good indoor painting and projects.

I hope everyone has been in to see the fabulous art from the change out. Photography is on a new wall, and we love it! Next change out will be in September, and we are asking for mini art. We will have a miniature art wall with paintings 5x7 or smaller framed. How small can you get with some great detail under 5x7? This will be a lot of fun and maybe you will win a prize for the best Miniature.

Keep Creating!
