May 2024

Ok its almost time to start complaining about the hot weather. Not! But it is time to start thinking about getting those fabulous photographs for this year's photo show. This year's special category will be "Arizonia's wild and crazy friends." So, get out there and take some great photos of wildlife or if you do have some crazy friends? Stay tune for future information on the show.

This Saturday May 4th is change out for the gallery 9am to 1pm and we can always use volunteers for check in on Saturday. Cannot wait to see all the new art!

This is also the time of year to say so long to our snowbird friends. To all that travel this summer have a great time and stay safe. See you in the fall.

Keep Creating!
