

**TRUSTED
QUALITY**

ON TIME. DONE RIGHT. FAIR.

At Houston Machine and Thread our focus is on meeting our customers' needs: emphasizing quality, timely delivery, excellent service, and competitive pricing.

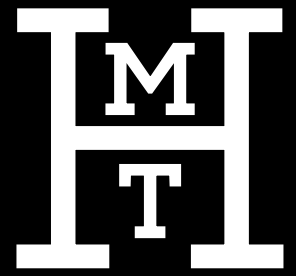

About Us

We specialize in supplying and manufacturing machined components, fasteners, fastener assemblies, and custom solutions.

Software and data driven insights enable us to ensure complete traceability, accurate inventory management, real-time capacity tracking, and job scheduling.

Our Service

We are committed to meeting ASTM, ASME, API, DIN, and ANSI standards while exceeding industry expectations.
