

Kristen Thomasino

Professional Biography

Kristen Thomasino is a multi-faceted professional whose expertise spans data science, business strategy, and social impact. As the CEO of Thomasino Media LLC and Buddytown Consulting LLC, she has

established herself as a prominent figure in the business and consulting world. Kristen's journey began with a robust foundation in business and technology working with startups and mid-size business, which she seamlessly translated into a career marked by innovation and leadership. She was part of the team that created one of the largest business-to-business payment networks in the United States called AvidXchange where she played numerous roles that resulted in achieving year over year top performance awards.

Professional Achievements:

Kristen has published 22 insightful works that delve into various aspects of data science, business, and health advocacy. Her contributions have not only enriched her field but have also positioned her as a thought leader and a trusted advisor to numerous teams across different sectors. She also has published over 100+ articles related to Social Good on www.socialgoodnews.com. She assembled speakers at the end of 2023 to create a platform for Certified Speakers for Social Good for the Social Good Conferences, www.socialgoodconferences.com.

Awards and Recognition:

Kristen's dedication to health advocacy, particularly in the realm of fibromyalgia, has earned her significant accolades. She is a recipient of the Veteran Voices for Fibromyalgia Award and the Global Consultancy Award, both of which underscore her commitment to making a positive impact in the community.

Business Leadership:

As the driving force behind Thomasino Media LLC and Buddytown Consulting LLC, Kristen has demonstrated exceptional leadership and strategic vision. Her companies are known for their innovative approaches and their commitment to delivering high-quality services to clients.

Health Advocacy:

Kristen's personal journey with fibromyalgia has fueled her passion for health advocacy. She has been a vocal advocate for the fibromyalgia community, leveraging her platform to raise awareness and support for those affected by the condition. Her work in this area is both personal and professional, reflecting her deep commitment to helping others navigate their health challenges.

Public Speaking and Media Presence:

Kristen is a sought-after public speaker, having appeared at numerous conferences and events, including the prestigious World Women Forum. Her engaging speaking style and deep knowledge of her subjects make her a compelling and influential speaker. She also maintains a strong media presence, using her platforms to share insights and inspire others.

Diverse Expertise:

Kristen's expertise is not confined to one field. She has a diverse background that includes technology, healthcare, real estate, and more. This broad range of experience allows her to bring a unique perspective to her work, making her a versatile and innovative leader.

Community Engagement:

In addition to her professional achievements, Kristen is deeply committed to community engagement. She actively supports various initiatives and organizations that align with her values and mission, further demonstrating her dedication to making a positive impact.

Kristen Thomasino's professional journey is a testament to her unwavering dedication, diverse expertise, and passion for making a difference. Through her leadership, advocacy, and innovative thinking, she continues to inspire and impact the lives of many.
