

EMBARK ON A VOYAGE

LEAVE A LEGACY EMERGE

A NATURE INSPIRED JOURNEY. EMERGE is an experiential and immersive leadership lab set in an Monastery in Italy.

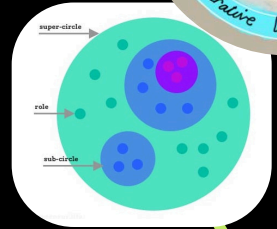

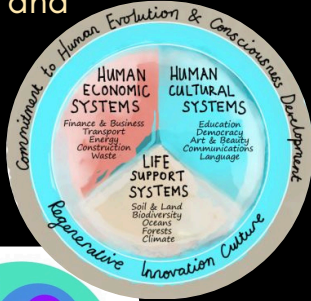

We create bridges, across generations, across heads and hearts -people and planet.

Participants will reconnect to their inner and outer worlds, and emerge together to "lead like nature".

ALL ABOARD

15 Corporates, 15 Youth, from 9 Countries, 6 regenerative principles, 1 week of TRANSFORMATION

A global alliance of mission-driven leaders, innovators, and change-makers committed to people and planet. By sharing wisdom, experiences, knowledge, and networks, we empower you to co-create a thriving future for all.

LEAD LIKE A CELL

Go from EMERGENCY to EMERGENCE. Enhance your sense of belonging. Become more adaptable, resilient & resourceful.

Access new talent onboarding. Get measurable impact. Replicate & scale by moving beyond systemic barriers.

INSIGHTS & OUTCOMES

THE WHOLE IS GREATER THAN THE SUM OF ITS PARTS. -Aristotle
Our Integrative, Immersive and Interactive Methodology Menu

- Inner Engineering
- Biomimicry
- Systems Thinking
- Food-Energy-Water-Waste

- Self-Organization

COME EMERGE WITH US

Our initiative is aimed at navigating the age of poly-crisis

OUR COMPASS

Integrating Four Directions of Leadership:
Traditional -Transformational
Technological - Timeless

OUR LEADER-"SHIPS"

Relationship (trust), Fellowship (belonging), Mentorship (wisdom), Stewardship (resources), Partnership (collaboration alliances)

OUR GUIDING STARS

Clarity, Unity, Integrity, Vulnerability, Authenticity, Empathicity

A RIPPLE EFFECT

COLLABORATION

Corporate leaders gain regenerative strategies, bold insights, and next-gen collaboration to boost their companies and future-proof their attractivity and impact.

INNOVATION

Youth unlock mentorship barriers to entry, real-world and network insights about high stakes in life, organization, and ultimately the world they will soon be leading.

REGENERATION

Together, leaders of today and tomorrow co-create scalable models that regenerate industries, empower communities, and restore balance to the people and planet.
