A WORD FROM THE PRESIDENT

The 2026 Texas Show is upon us, and on behalf of the show committee I would like to welcome everyone from the Texas region, our visitors, competitors, and exhibitors to the 65th Annual show.

We are thrilled to have Texas State School, School Captains, Amelia Harvey and Addison Irwin (Junior show girl in 2025) assisting over the weekend and selling tickets to the entertaining pig race and continuing the work of promoting Ag shows.

We start on Friday 12:00pm, with the Junior Judging and Leading competition for the stud cattle. Good luck to all the Juniors in this new addition to the Stud cattle section.

Saturday starts with a flurry of events starting with the Campdraft, Ring Events, Dressage and, Yard Dog Trials. Whilst all of this is going on we will be entertained by Noah's Pig Races, Mechanical Bull, Wipe Out, Sideshow Alley and Laser Skirmish.

At lunch time, visit the Whyalla Beef BBQ. As Whyalla is one of our biggest supporters make sure you try one of their famous "Big One" burgers or Jason Roberts' tasting plates while having a cool drink from the bar next door and get together your syndicate for the Calcutta & Live Auction.

Please support the outdoor markets and displays before heading to the Pavilion to enjoy the arts, crafts, produce & fibre produced by the locals from this fantastic part of the world. The Rodeo kicks off at 3pm to watch the thrills and spills of the talented bull and steer riders. Then we bring the fireworks and laser show to life for the kids, big and small. After which we welcome Will Day to the stage to take us late into the night where we get to catch up with friends around the bon fire.

Sunday is another fun filled day with the Yard Dog Trials and Pig Races continuing, plus the Dog Competition, Motorbike Challenge, Classic Vehicle Display (Classics not Plastics), the Tough Texan Challenge and the ever-popular Wood Chop. We round out this fantastic weekend with the draw of the lucky holiday prize at 3:45pm.

I would like to thank the Texas Show Committee, our fantastic sponsors, supporters, volunteers and hard-working event stewards for bringing this Texas Show together. Your efforts demonstrate that famous Texas community spirit.

I invite you to come down to your local show, to catch up with friends and family and explore what your community produces and has on show. Enjoy.

Mark Henry
Texas Show President 2026

WOOL

Chief Steward : Mr Scott Coventry

Ph 0427 535145

Steward : Mr Geoff Fearby

Conditions & regulations are as follows:

All exhibits must be in the hands of the Steward before 9am Thursday of the Show.

Judging will commence Thursday of the Show. Ribbons, Trophies and wool must not be removed before 4pm on the Sunday of the Show. Any wool left after 6pm will become property of the Show Society, unless prior arrangements have been made.

Exhibitors must enclose entry form to each fleece clearly showing the exhibitor's name, address, division and class number. All fleeces must have been shorn from a sheep in the past 12 months, and the bona fide property of the exhibitor. All fleeces must be skirted; otherwise they will be correctly skirted under the direction of the judge. Wool can be accepted prior to the Thursday of the Show and stored with the Chief Judge.

Judges will transfer any fleece to the class, which in their opinion, it rightfully belongs.

Any fleece, which in the opinion of the judge, is overgrown, will be judged accordingly. Exhibitors may only enter one division – properties running registered Merino studs are not eligible to enter flock classes. If, in the opinion of the judge, and entry is not made up of wool from the one sheep, all fleeces from that exhibitor will be disqualified.

Exhibitors are reminded that the Society's General Regulations apply to all sections of the Show and that the above regulations apply to the Wool section of the Show only and are supplementary to the General Regulations.

The background of the entire page is a photograph of a rural landscape during the 'golden hour' of sunset or sunrise. The sky is a vibrant mix of orange, yellow, and light brown. In the foreground, there's a dirt road or path that leads into the distance. To the left of the path, there are several trees, including a prominent one with a rounded canopy. A powerline pole with cross-arms is visible in the middle ground, with wires stretching across the sky. The overall mood is peaceful but carries a subtle warning about powerline safety.

When you're working on the land, look up and live.

Keep safety top of mind. Stay clear
when powerlines are near.

Mark powerlines with ground, pole
or aerial markers.

We see children as capable, curious, and active participants in their learning. Through play-based experiences, meaningful relationships, and time to explore, wonder, and learn at their own pace, we create a space where childhood is protected, voices are valued, and learning unfolds naturally.

Our educators nurture each child to feel safe, capable, and deeply valued while developing the confidence, resilience, communication skills, independence, and love of learning that build strong foundations for school and beyond.

TEXAS P-10 STATE SCHOOL DISPLAY

Steward : Mrs Jane Lang

Ph 0488 022182

Texas P-10 State School

Texas P-10 State School is the most southerly prep to year 10 school in Queensland. Texas is situated on the Dumaresq River which marks the Queensland/New South Wales border, so our school draws students from the town of Texas and the surrounding rural areas in Queensland and New South Wales. As a prep to year 10 campus, our school has a wide range of facilities that are used by all sectors of the school including an industrial arts centre, home economics kitchen, art room and music room. We believe "Every child matters, every day".

Bonshaw State School

Bonshaw Public School is a small rural school in the village of Bonshaw. Where we provide opportunities and experiences designed to inspire and challenge our students for a successful future. Our students love showcasing their work and entering items in the Texas Show.

Wrigglers & Gigglers

Play IS Learning – Through children's experiences, photographs, and artworks, we showcase how play supports cognitive, social, emotional, and physical development. Our exhibit highlights children's rights under Article 31 of the United Nations Convention on the Rights of the Child, which states that every child has the RIGHT to PLAY, rest, and leisure. In a world where childhood is increasingly structured, we advocate for the protection of play as an essential and meaningful part of learning and development. We invite visitors to explore, engage, and rediscover the power of play in shaping confident, capable, and connected children.
