- II. A Walk in the Woods
- III. Flowers
- IV. Woodland Animals
- V. Digging in the Earth: Forest Floor
- VI. Sky Study
- VII. Insects
- VIII. Ocean and Water

Section 1 looks at plants, animals, and weather. This section has students involved in projects that incorporate a number of mediums including pottery, colored pencil, pastels, and more.

These activities work toward meeting state and national standards established for art education in each grade level. For more information or to see the standards, please visit: <http://www.dpi.state.nc.us/curriculum/artsed/>.
