++ Scheduling an appointment out of network with *any* hearing provider in Counties listed above is easy!
 Step 1: Select the provider in Indian River County you wish to see.
 Step 2: Call 20/20 Hearing Care Network at (844) 575-4327 (TTY: 711) with your selected provider’s contact information.

20/20 will reach out to your provider to establish your benefit information and call you back within 2-3 business days to let you know you can call the provider directly to schedule your appointment. Again, you will only be responsible for an in-network copayment amount if you decide to exceed your plan benefit allowance according to your plan’s benefits outlined in your Summary of Benefits and Evidence of Coverage.
