How to buy your child's ebooks

1. Login to your schools Engage platform at leories.snapplify.com. Sign in using **your child's Snapplify account login details that has been supplied by the school**.
2. Join the group of the grade that your child is in.
3. Click the 'review prescribed order' button and after double-checking your list, click on the 'Next' button under your total.
4. Once you have completed the fields and clicked 'Next', you will be redirected to our secure payment page, where you will be able to select your payment method.

Once you've paid, you'll need to download and log in to the **Snapplify Reader app** using the same login details used to log onto the platform. You can download the app from your app store or from GetSnapplify.com. The app is **totally free** and allows for **offline reading**, which is pretty handy if you're on the move or in places with limited or no internet connection. 🚫📶
