Read carefully before initialing the boxes below

INITIAL I have watched the Blue Grotto safety/orientation video and understand that I am responsible for not only knowing the information it covers but also for following the instructions it provides.

INITIAL I understand that, as is true of all other north-central Florida dive site, solo diving *is not* permitted at Blue Grotto, regardless of my certification. I must always be in the company of a qualified buddy or under direct instructor/divemaster supervision.

INITIAL I understand that I may not move or tamper with any of the concrete statues, signs or other fixtures located in the Grotto. *Violation of this rule will result in immediate expulsion from the property.*

INITIAL I further understand that only certified cave divers or students under cave diving instructor supervision may venture past any of the "Grim Reaper" warning signs. *Violation of this rule will also result in immediate expulsion from Blue Grotto.*
